Overview

The global Water, Sanitation, and Hygiene (WaSH) sector and the development of sustainable products have become critical components of sustainable development worldwide. As the demand for clean water and adequate sanitation grows, innovative solutions and business models are essential to address the challenges posed by rapid urbanization, population growth, and environmental degradation. Banka Bio is at the forefront of this movement, leveraging advanced technologies and sustainable practices to deliver impactful solutions in the WaSH sector and the development of eco-friendly, biodegradable products.

Global WaSH Sector

The WaSH sector is fundamental to public health, environmental sustainability, and economic development. Globally, billions of people still lack access to safe drinking water, adequate sanitation, and proper hygiene facilities. This gap presents a significant challenge and an opportunity for innovation and investment.

Sanitation :

Effective sanitation systems are crucial for preventing diseases and ensuring public health. The development of bio toilets and advanced sewage treatment plants has revolutionized waste management, providing sustainable and hygienic solutions for communities.

Water Treatment:

The purification and treatment of water are vital for ensuring safe drinking water. Technologies such as desalination, water recycling, and wastewater treatment are increasingly being adopted to meet the growing demand for clean water.

Hygiene

Promoting good hygiene practices is essential for disease prevention and overall well-being. The integration of hygiene education with infrastructure development is key to achieving long-term health benefits.

BIO PRODUCTS AND THEIR IMPACT

Bio products, including bio toilets and bio-based water treatment solutions, are designed to minimize environmental impact while providing effective sanitation and water management. These products harness natural processes and materials, offering sustainable alternatives to traditional systems.

Environmental Sustainability

Bio products reduce the reliance on chemical treatments and energy-intensive processes. By utilizing natural materials and biological processes, these products contribute to the conservation of resources and reduction of greenhouse gas emissions.

Economic Benefits

Sustainable WaSH solutions and bio products can drive economic growth by creating jobs, reducing healthcare costs, and promoting tourism and other industries dependent on clean water and sanitation.

Social Impact

Improved access to sanitation and clean water enhances the quality of life, especially in underserved communities. It empowers women and children by reducing the time spent on water collection and improving school attendance and performance.

FUTURE IMPACT

The adoption of advanced WaSH solutions and bio products is expected to have a profound impact in the near future. As countries and communities recognize the importance of sustainable water and sanitation management, the demand for innovative solutions will continue to grow.

Technological Advancements

Continued research and development in the WaSH sector will lead to more efficient, cost-effective, and environmentally friendly solutions. Innovations such as smart water management systems and decentralized treatment plants will become more prevalent.

Policy and Investment

Governments and international organizations are increasingly prioritizing water and sanitation in their policies and funding initiatives. This will drive investment in infrastructure and support the scaling of successful models.

Global Collaboration

Addressing global water and sanitation challenges requires collaboration across sectors and borders. Partnerships between governments, private companies, non-profits, and communities will be essential for achieving sustainable outcomes.

Banka Bio is committed to leading the way in the global WaSH sector and the development of bio products. Our focus on sustainability, innovation, and community impact positions us to make a significant contribution to the future of water and sanitation. As we navigate the challenges and opportunities ahead, we remain dedicated to creating solutions that ensure a healthier, more sustainable world for generations to come.

As we step into a new era of sustainable development, Banka Bio is proud to present our Annual Report themed "Blue & Beyond: Navigating the Future of Sanitation, Water & Sustainability." This report not only encapsulates our achievements and growth over the past year but also outlines our vision and strategy for the future. Our commitment to pioneering innovative sanitation and water solutions continues to drive us toward a cleaner, healthier, and more sustainable world.

GLOBAL CONTEXT

The Challenge of Sanitation and Water Quality

Globally, 3 billion people face inadequate sanitation and depleting water quality. This presents a significant challenge and an urgent call to action. At Banka Bio, we are dedicated to curating waste and wastewater treatment technologies that provide sustainable solutions for communities worldwide.

OUR SOLUTIONS

Banka Rail

- **Bio Toilets O&M and Equipment for Railways:** We provide operation and maintenance services and equipment for bio toilets, ensuring efficient and hygienic solutions for railways.

Banka WaSH

- **Bio Toilets (DRDO Partnership):** In collaboration with DRDO, we offer advanced bio toilet solutions that are both effective and sustainable.
- **Packaged Sewage Treatment Plant (PSTPs):** These compact and efficient plants, which are manufactured off-site and transported to for erection and commission. These systems are designed for small to medium-sized applications covering communities, industrials, retail, and commercial.
- **Large-Scale Urban Sewage Treatment Plants:** Our large-scale plants handle the complex needs of urban wastewater management in communities, retail, and commercial.
- **UrbanSaaS (STP-as-a-Service):** We have innovated the business model to offer sewage treatment solutions for existing and new plants, wherein the plants are installed with our investment for a long-term operation & maintenance (O&M) contracts tailored for residential, commercial, retail, and industrial requirements.
- **Faecal Septage Treatment Plants (FSTPs):** These plants provide effective treatment of septage, ensuring safe and hygienic waste management. These plants are built based on our patented treatment process.

Banka Green

- **New Sustainability Initiatives:** We are continuously innovating and implementing new measures to enhance sustainability and promote environmental stewardship. These initiatives are crucial for reducing our ecological footprint, improving resource efficiency, and ensuring long-term environmental health for future generations.

NAVIGATING THE FUTURE

Innovative Solutions for a Sustainable Tomorrow

Our journey "**Blue & Beyond**" is driven by our mission to navigate the future of sanitation, water, and sustainability. We believe that through innovation, dedication, and strategic partnerships, we can create a world where everyone has access to clean water and adequate sanitation.

About This Report

This report has been meticulously compiled in accordance with the principles of Integrated Reporting (IR) as laid out by the International Integrated Reporting Council (IIRC). It is designed to cater to the diverse needs of our stakeholders, including investors, employees, customers, regulators, and the broader community. As our principal communication document, it provides a comprehensive overview of our strategies, business model, and significant impacts across economic, social, and environmental areas. This report aims to offer a transparent and detailed insight into our operational and financial performance, illustrating how we manage our business to create sustainable value.

SCOPE AND BOUNDARY

The scope of this report encompasses all operational and business developments for the year ended March 31, 2024. It presents a holistic view of our activities and achievements across various business segments and geographies. The report includes information on the following:

- **Operational Developments:** Detailed accounts of our projects, technological advancements, and process improvements.
- **Business Developments:** Insights into market expansions, strategic partnerships, and new business ventures.
- **Financial Performance:** Comprehensive financial statements, including the performance of our subsidiaries, to give a consolidated financial overview.
- **Sustainability Initiatives:** Information on our environmental, social, and governance (ESG) efforts and their impacts.
- **Statutory Reports:** Inclusion of mandatory statutory reports, such as the Board's Report, Management Discussion and Analysis Report (MD&A), Report on Corporate Governance, and the Business Responsibility and Sustainability Report (BRSR).
- **Secretarial Standards:** Compliance with the Secretarial Standards issued by the Institute of Company Secretaries of India (ICSI), ensuring best practices in corporate governance and secretarial functions.

We ensure that the report covers short, medium, and long-term value creation activities. Our subsidiaries' performance is meticulously integrated into the consolidated financial information, providing a clear picture of our overall business health and strategic direction.

Frameworks

Our commitment to embracing best practices in reporting is unwavering. The content and structure of our Annual Report are guided by the robust framework endorsed by the International Integrated Reporting Council (IIRC). This ensures a balanced and comprehensive approach to reporting that enhances transparency and stakeholder engagement. Our compliance extends to several key frameworks and guidelines:

- **NSE Listings:** Adherence to the listing requirements of the National Stock Exchange (NSE), ensuring full transparency and regulatory compliance.
- **SEBI Guidelines:** Alignment with the Securities Exchange Board of India (SEBI) guidelines, specifically the Listing Obligations and Disclosure Requirements (LODR) Regulations, 2015.

Assurance

The Board of Directors acknowledges its responsibility to ensure the integrity and accuracy of this Annual Report. The Directors have thoroughly reviewed the content of this report and are confident that it addresses all material issues pertinent to our stakeholders. This report presents a fair and balanced view of our Company's integrated performance, encompassing our financial health, operational efficiency, and sustainability initiatives. We are committed to maintaining high standards of transparency and accountability in all our communications.

As we navigate the complexities of today's business environment, our commitment to sustainability, innovation, and stakeholder engagement remains at the forefront of our strategy. This report is not just a reflection of our past achievements but a roadmap for our future endeavors. We invite you to explore the detailed insights provided in this report and join us on our journey towards a more sustainable and prosperous future.

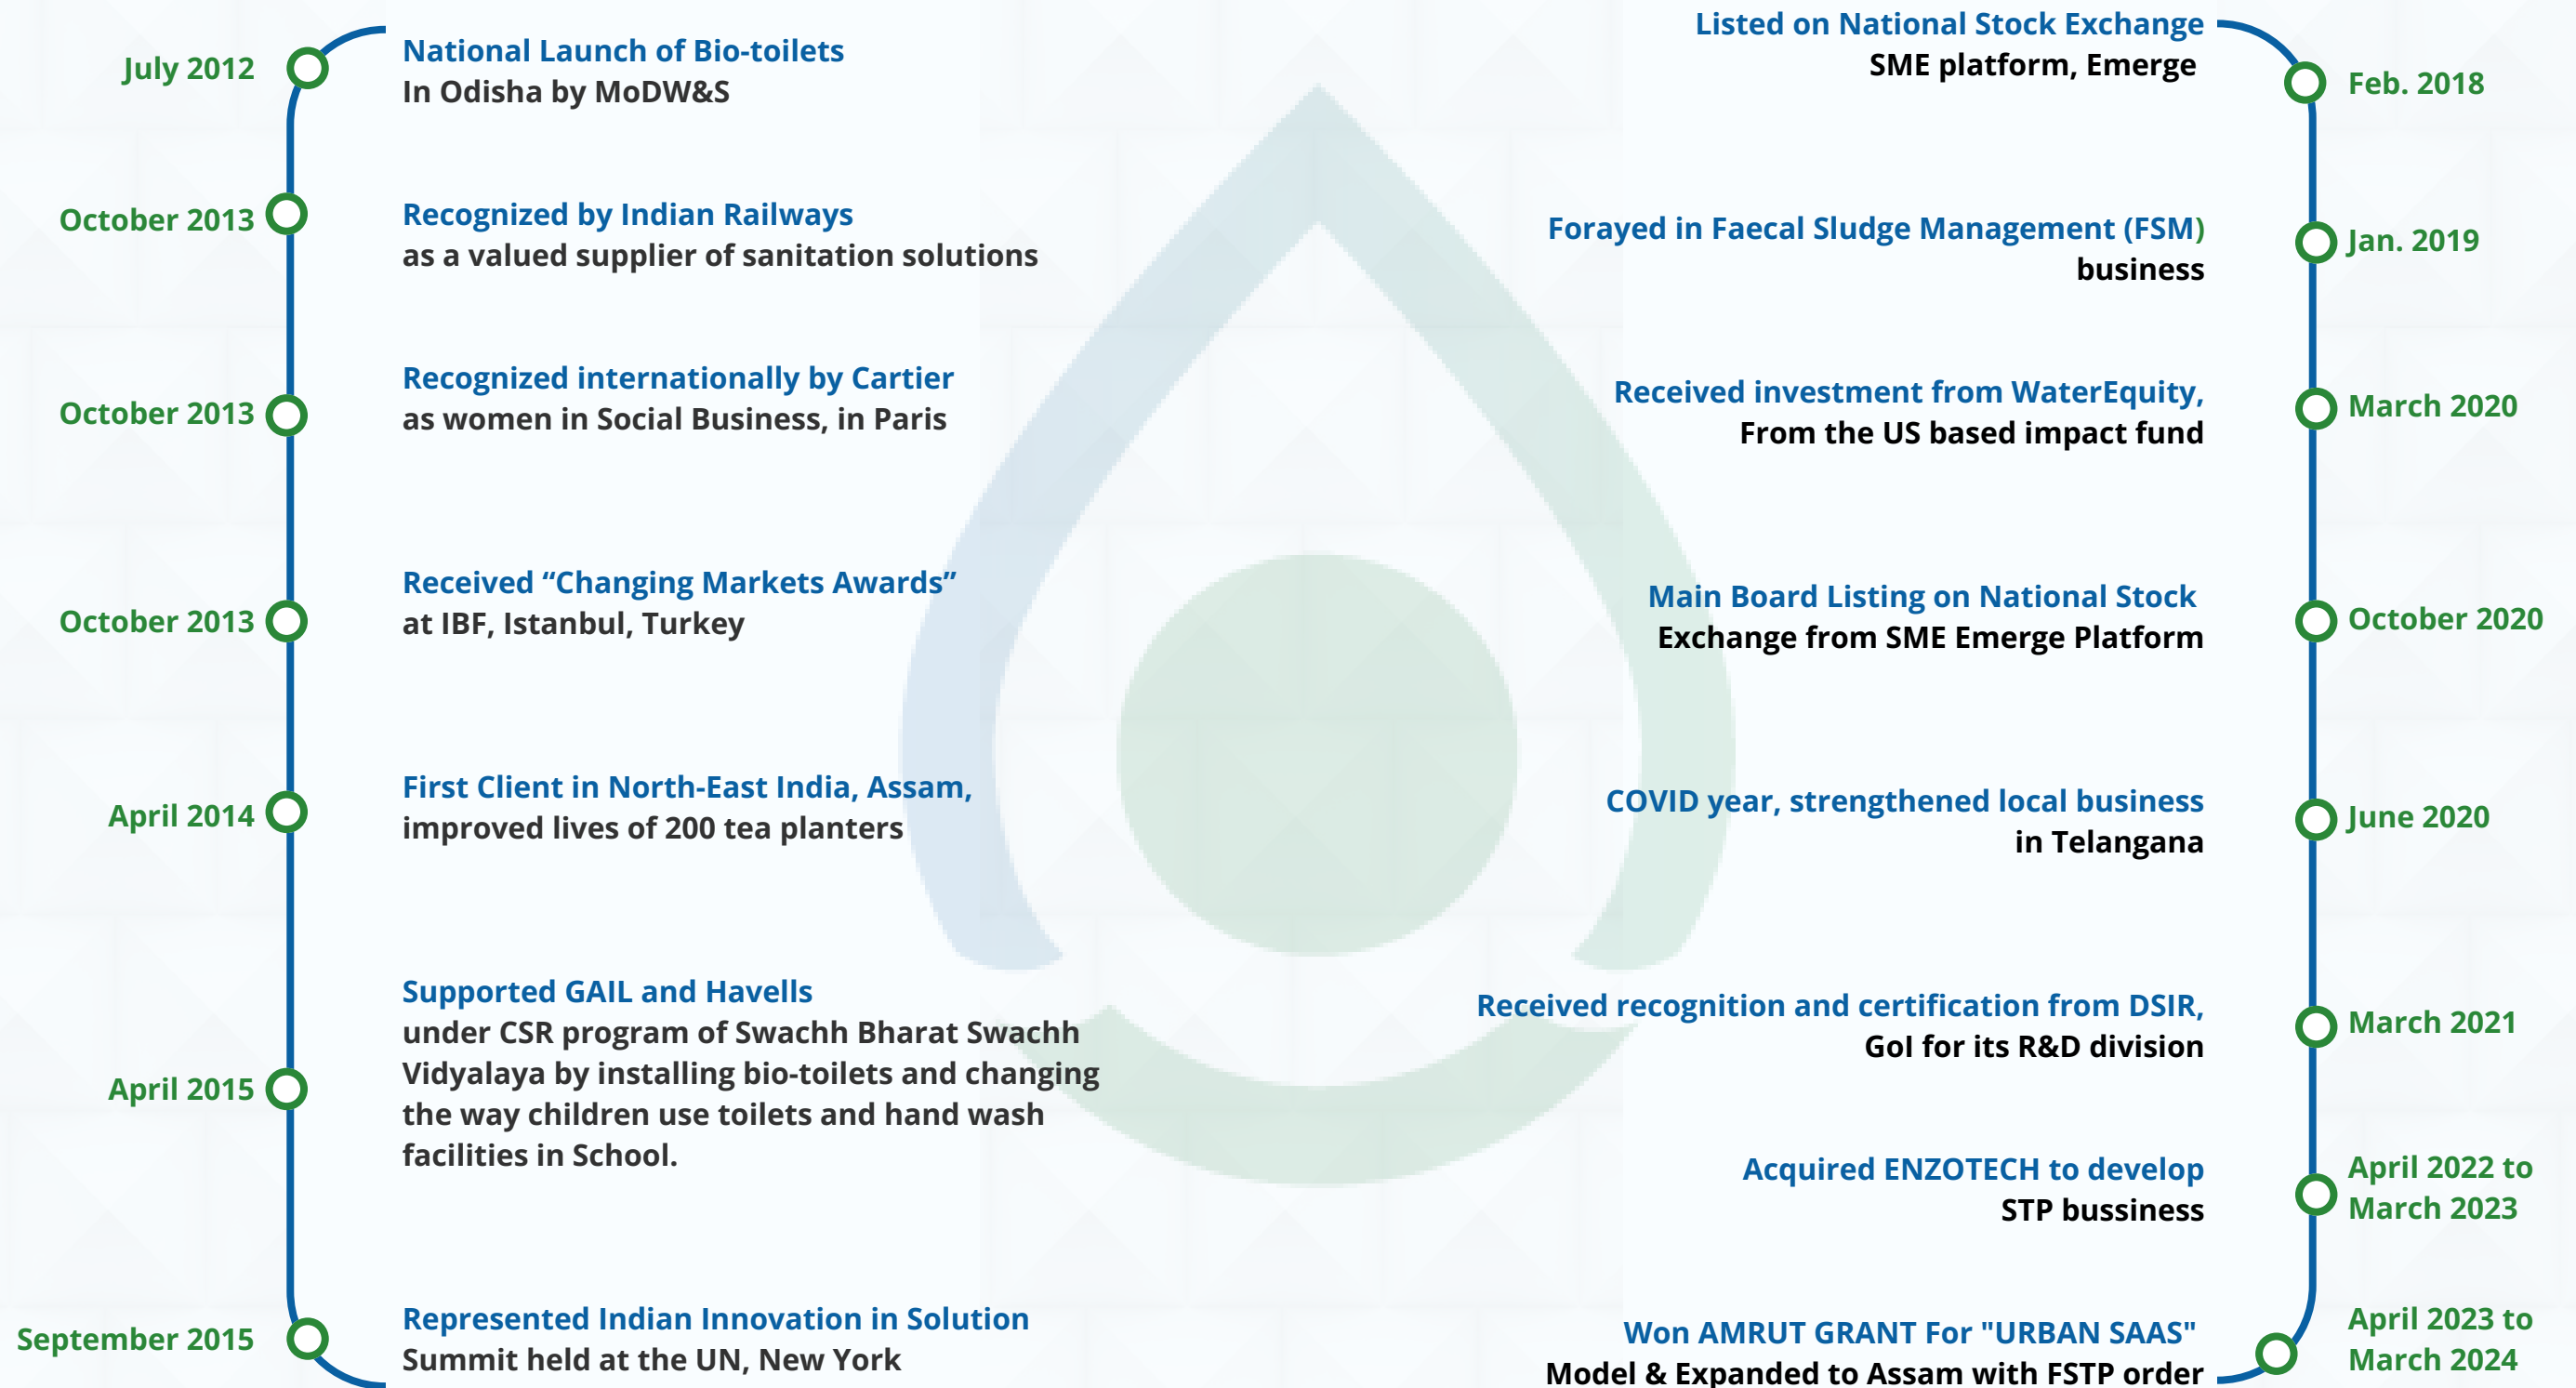

VISION

Save and improve lives by providing sustainable water and sanitation solutions to one and all.

MISSION

To touch lives of 10 million+ people globally by creating innovative and sustainable solutions and services for the future.

LETTER FROM THE CHAIRMAN AND MANAGING DIRECTOR

Dear Shareholders, Customers, and Stakeholders,

At Banka Bio, we steadfastly believe that access to clean water, improved sanitation, and effective hygiene practices are not just essential services but fundamental human rights. Our unwavering purpose is anchored in our commitment to positively impacting individuals, communities, and the environment. This annual report encapsulates our strides in fulfilling that commitment and reinforces our resolve to address the challenges that lie ahead.

Reflecting on Our Achievements

Over the past year, Banka Bio has made significant advancements in expanding our reach and impact. We have extended our footprint to underserved areas, ensuring that more communities have access to the essential WaSH (Water, Sanitation, and Hygiene) services they need. Our dedicated team of professionals, driven by expertise and compassion, has been pivotal in delivering solutions that transform lives. From implementing advanced water purification systems to constructing sustainable sanitation facilities and promoting comprehensive hygiene education, we have significantly improved the well-being of countless individuals.

Embracing Innovation

Innovation remains a cornerstone of our approach at Banka Bio. We are continually exploring new technologies, methodologies, and best practices to enhance the efficiency and effectiveness of our WaSH solutions. By investing in research and development, we aim to deliver cutting-edge services that optimize resources, reduce environmental impact, and address the evolving needs of our clients and the communities we serve. Our innovative bio products and sustainable practices set us apart in the industry, positioning us as leaders in environmental stewardship and public health.

Gratitude and Future Outlook

We extend our heartfelt gratitude to our shareholders, customers, and stakeholders for your ongoing partnership and support. Your trust and collaboration are invaluable as we navigate this transformative journey. Together, we have made significant progress, but there is still much work to be done. As we forge ahead, let us remain committed to making a meaningful difference in the lives of people around the world. By harnessing the power of innovation, collaboration, and determination, we can build a future where clean water, improved sanitation, and effective hygiene practices are accessible to all.

Thank you for joining us on this journey.

Sincerely,

Sanjay Banka & Namita Sanjay Banka

CEO NOTE FOR 2024 ANNUAL REPORT

Vishal Murarka
CEO, Banka Bio

Dear Shareholders, Partners, and Team Members

As I sit down to write this note, I am filled with a deep sense of pride and gratitude. Reflecting on our journey this past year, I am reminded of the resilience and dedication that define Banka Bio. This year has been a testament to our collective strength, our unwavering commitment to innovation, and our relentless pursuit of excellence.

A Personal Reflection

Allow me to start with a personal anecdote. I have always been inspired by marathon runners. The marathon is the ultimate test of perseverance, resilience, and grit. It's not just about speed; it's about enduring the long journey, overcoming physical and mental barriers, and pushing oneself beyond the limits. Each race is a story of countless hours of practice, dedication, and numerous attempts to improve.

Much like marathon runners, Banka Bio is on a journey of continuous growth and expansion. We face challenges head-on, learn from each experience, and keep pushing forward. Every step we take brings us closer to our goals, just as every mile brings a marathon runner closer to the finish line. This relentless drive and unwavering commitment are what define us and propel us toward new heights of success.

In many ways, our journey at Banka Bio mirrors this relentless pursuit of excellence. Just as marathon runners push through each mile with unwavering determination, we strive to overcome every challenge and reach new milestones. Our commitment to innovation, sustainability, and growth drives us forward, ensuring we deliver exceptional value to our stakeholders and contribute positively to the environment.

Performance Overview

Despite a challenging start to the year, with net margins under stress and initial losses in Q1, we have achieved notable progress.

Revenue Growth : Our year-on-year sales performance has seen robust revenue growth of 16.7%, reaching gross sales of ₹57 crores. The growth is driven by the successful launch of new products and services. This growth is a testament to our team's resilience and dedication and our stakeholders' trust and support.

Our segment-wise contribution has shifted, with the Railways business share slightly decreasing from 62.2% to 59.3%, while our WaSH (STP/BT/FSM) segment increased from 37.8% to 40.7%. This diversification highlights our strategic focus on expanding our service lines and scaling up new business areas. This also meant adding new grade "A" private sector customer in our list.

Operational Efficiency: Our efforts to streamline processes and optimize resources have led to improved productivity and cost efficiency, and we will see a positive impact in the next financial year in our y-o-y bottom-line returns.

As we reflect on another transformative year for Banka Bio, it is with great pride and gratitude that I present to you our 2024 Annual Report. This year, we have navigated challenges and leveraged opportunities to position ourselves for sustainable growth and continued success.

Strategic Initiatives and Capital Deployment

Our strategic initiatives this year were aimed at enhancing revenue streams and driving future profitability. Key priorities included:

1. Expanding Service Lines in Railways: We are committed to adding new service lines within the Railways sector, which remains a cornerstone of our business.
2. Scaling Up Wastewater Business: Our focus on developing urban wastewater plants under OpEx/BOOT model, packaged-STP and bio-toilets has been pivotal in addressing urban sanitation needs, and also accelerated our presence in new categories and customers.
3. Introducing New Products in the Banka Green Department: The launch and scale-up of Compostica, our cutting-edge bio-compostable solution, represent a significant step in diversifying and expanding our product portfolio.

We have set measurable performance targets across sales, cost management, and capital employed. Our capital deployment strategy is tightly linked to profitability, ensuring that investments are both strategic and impactful.

Customer Satisfaction and Organizational Development

To enhance customer satisfaction, we undertook significant organizational restructuring and new hiring initiatives. Our goal is to build a robust, agile organization capable of meeting evolving market demands and exceeding customer expectations.

Financial Health and Shareholder Returns

Despite a challenging year, we remain committed to enhancing our financial health and delivering value to our shareholders. Our focus is on building a robust foundation for sustainable growth and long-term success.

Looking Ahead

As we move forward, our key priorities for FY24-25 include:

- Building New Service Lines in Railways: Continuing to innovate and expand our offerings within this crucial sector.
- UrbanSaaS Projects: Investments in BOOT/Capital expenditures for urban wastewater treatment projects will drive long-term steady O&M cashflow revenues.
- Scaling Up Factory Operations: With the completion of phase-1 capex for our new factory, we are poised to scale operations significantly.
- Organizational Build-Up: Supporting new initiatives through active training, strategic hiring, and fostering a culture of excellence and accountability.

Closing Thoughts

In conclusion, I would like to express my heartfelt appreciation to our shareholders, partners, and team members for their unwavering support and dedication. As we look towards the future, I am confident that Banka Bio is well-positioned to continue its journey of growth and innovation. Together, we will navigate the future of sanitation, water, and sustainability with determination and excellence.

Thank you for your continued trust and partnership.

Sincerely,

Vishal Murarka

MANAGEMENT DISCUSSIONS AND ANALYSIS

MANAGEMENT DISCUSSIONS AND ANALYSIS

Sanitation is a critical component of the Water, Sanitation, and Hygiene (WaSH) sector and plays a pivotal role in public health, environmental sustainability, and socio-economic development globally. Despite significant progress in recent decades, billions of people still lack access to adequate sanitation facilities, which poses severe health risks and hampers development efforts.

Globally, an estimated 2.3 billion people do not have access to basic sanitation services, and nearly 892 million people practice open defecation. These deficiencies are most pronounced in developing countries, where rapid urbanization and population growth exacerbate the challenges of providing adequate sanitation infrastructure. The lack of proper sanitation is linked to the spread of diseases such as cholera, diarrhea, and dysentery, which claim thousands of lives each year, particularly among children under five.

Advancements in sanitation technology and innovative solutions have shown promise in addressing these challenges. Bio toilets, decentralized wastewater treatment systems, and fecal sludge management solutions are transforming the landscape of sanitation. These technologies not only provide hygienic sanitation solutions but also promote environmental sustainability by treating and recycling waste.

Improved sanitation has far-reaching benefits that extend beyond health. It enhances the quality of life, promotes dignity, and contributes to gender equality by providing safe and private facilities, especially for women and girls. Additionally, better sanitation facilities reduce healthcare costs, improve productivity, and stimulate economic growth. Communities with proper sanitation infrastructure are more resilient and better equipped to handle the impacts of climate change.

The global sanitation sector is poised for significant growth as governments, international organizations, and private entities increasingly prioritize sanitation in their development agendas. The Sustainable Development Goals (SDGs), particularly Goal 6, emphasize the importance of ensuring availability and sustainable management of water and sanitation for all by 2030. Achieving these goals will require sustained investment, innovative approaches, and strong partnerships across all sectors.

OVERVIEW OF BANKA RAIL

Banka Rail, a division of Banka Bio, proudly stands at the forefront of delivering high quality railway solutions that encompass a broad spectrum of technologies and services dedicated to enhancing railway infrastructure and operations.

As an integral part of Banka Bio's commitment to innovation and sustainability, Banka Rail focuses on developing products and systems that significantly improve the efficiency, safety, and environmental sustainability of rail transport.

Our mission at Banka Rail is to redefine railway standards through revolutionary products and maintenance solutions that anticipate industry needs. Our offerings, from advanced bio-toilet systems to quick watering systems (QWS) and robust infrastructure components, ensure optimal performance and comfort. Our expertise spans product development to comprehensive maintenance and operational services, maintaining the high reliability and functionality our clients expect.

In alignment with our sustainability mission, Banka Rail is dedicated to minimizing the environmental impact of railway operations. Through initiatives such as our packaged sewage treatment plants and stainless-steel trough replacements for AC coaches, we enhance railway sustainability and efficiency. These efforts underscore our commitment to environmental stewardship and exemplify our ongoing pursuit of excellence in the rail industry.

As we present this annual report, Banka Rail continues to set industry benchmarks, driven by our core values of innovation, customer focus, and sustainability. We are committed to maintaining the trust and confidence of our stakeholders through our dedication to quality and by consistently delivering solutions that not only meet but exceed the stringent demands of modern rail transportation.

A. Transforming Rail Operations with Innovative Solutions

Annual Maintenance & Operation Contracts (AMOC) for Bio-Toilets Banka Bio has established itself as a leader in our AMOC (annual maintenance and operations contracts) for bio-toilets in railway coaches. This contract includes comprehensive preventive and breakdown maintenance, ensuring that bio-toilet facilities are always operational. Our team handles everything from minor repairs to full system audits, adhering to strict maintenance schedules that enhance the hygiene and functionality of these crucial amenities.

Periodic Overhauling (POH) Our commitment to maintaining railway standards extends to the periodic overhauling of wagons and bogie upgradation. This critical process involves the systematic stripping of wagons to replace or repair worn-out components, ensuring safety and comfort for passengers. Our technical expertise in this area reassures stakeholders of our dedication to reliability and quality.

Mechanized Cleaning & Housekeeping Services Our housekeeping services are designed to maintain impeccable hygiene standards across all touchpoints in the railway network. Utilizing mechanized cleaning techniques and rigorous training programs, our team ensures that cleanliness is a hallmark of the passenger experience, reinforcing our commitment to providing a safe and pleasant travel environment.

Furnishing, Carpentry, Plumbing & Passenger Amenity Works (UGM) Our expertise in coach interior work is demonstrated through meticulous furnishing, expert carpentry, and precise plumbing. We ensure that every aspect of the passenger's journey is met with comfort and luxury, from ergonomic seating to well-appointed restrooms. Our attention to detail in creating hospitable environments sets us apart in the industry.

B. Enhancing Coach Experience with Superior Upgrades

Engineering Products for Coach Upgradation at Banka Bio, we don't just maintain; we improve. Our engineering solutions for coach upgrades include the replacement of outdated components with advanced materials and designs. From enhanced seating to modern sanitary fittings, our products aim to redefine the passenger experience by blending functionality with aesthetic appeal.

C. Enhancing Station Experience

Quick Watering System (QWS) The introduction of our Quick Watering System revolutionizes the way water is supplied to trains at station halts. Designed to fill a 24-coach train in just five minutes, this system combines efficiency with innovation. By automating the filling process and minimizing manual intervention, we've significantly enhanced operational efficiency and water availability.

Packaged Sanitation & Wastewater Systems Understanding the need for sustainable water management solutions, Banka Bio offers state-of-the-art packaged sanitation and wastewater systems. These systems ensure the availability of clean water while effectively managing waste, contributing to environmental sustainability and enhancing passenger comfort on long journeys.

Looking Ahead As we move forward, our focus will remain on enhancing our offerings and pushing the boundaries of what is possible in railway operations. With a commitment to excellence and sustainability, Banka Bio is poised to continue leading the way in transforming rail travel for the betterment of passengers and the environment alike.

BANKA RAIL'S STRATEGIC ACHIEVEMENTS AND FUTURE OUTLOOK

Fiscal Year 23-24: A Year of Robust Growth and Expansion

Banka Rail experienced significant growth in the Fiscal Year 23-24, achieving a total order receipt of approximately INR 60 crores. This financial year has been marked by several strategic firsts and expansions into new product and services lines, reflecting our commitment to innovation and quality in the railway sector.

Strategic Innovations and Market Expansion

Banka Rail has reinforced its position as a leader in modern railway solutions with significant developments in both product offerings and service enhancements. Our launch of the Stainless Steel (SS) Metal Trough for air-conditioned (AC) coach assemblies and the Quick Watering System (QWS) illustrates our commitment to new product and services. These advancements have not only strengthened our product line but have also broadened our capacity to engage in larger-scale projects, reflecting our strategic intent to capture a larger share of the market.

Additionally, our entry into the environmental sustainability arena with the introduction of Packaged Sewage Treatment Plants (STPs) marks a pivotal expansion of our product portfolio. This initiative aligns with our goal to offer eco-friendly solutions and positions us to cater to new developments in station and depot infrastructure.

Our service division has paralleled this growth by enhancing offerings such as Upper Gear Maintenance (UGM) and Mechanized Cleaning Contracts (MCC) for coaches. These services ensure that our solutions are not only cutting-edge but also consistently maintained at the highest standards. The inclusion of comprehensive maintenance services for bogies and their components further underscores our holistic approach to railway maintenance and our commitment to ensuring long-term operational reliability.

Together, these developments exemplify Banka Rail's strategic approach to expanding its market presence and affirming its commitment to innovation, sustainability, and comprehensive service solutions in the railway industry.

LOOKING FORWARD

As we move into the next fiscal year, Banka Rail is poised for continued success with a strong pipeline of orders for our new products and services and motivated team.

With modernization projects such as the Quick Watering Systems being rolled out across all zones, and the increasing demand for our environmentally friendly Packaged Sewage Treatment Plants, it presents an 800+ crores opportunity in the next 5-years, and we are well-poised to capture this opportunity.

Our focus on transforming Rail Operations with Innovative Solutions will see expansion of our offerings across the next 5 years. We believe that above services will present 4000+ crores opportunity, and we are confident to participate and expand our topline.

Banka Rail's achievements in FY 23-24 reflect our steadfast commitment to innovation, quality, and sustainability. As we continue to expand and diversify our offerings, our focus remains on delivering solutions that meet the evolving needs of the railway industry and contribute to a sustainable future. We are grateful for the trust and partnership of our clients and stakeholders and look forward to another year of outstanding performance and growth.

BANKA WASH

Banka WASH, a premier division of Banka Bio, excels in providing water, sanitation, and hygiene solutions designed for a broad spectrum of applications including urban, residential, commercial, and industrial settings. By harnessing cutting-edge technologies and sustainable practices, Banka WASH aims to redefine the standards in water management and sanitation infrastructure, promoting a future where efficient and eco-friendly solutions are accessible globally.

Mission and Vision

Our mission is to transform water and sanitation management through advanced technology, ensuring communities around the world enjoy access to safe, sustainable, and efficient water management systems. We aim to lead the sector in innovation, sustainability, and client satisfaction, envisioning a future where effective water management is integral to global environmental health and well-being.

Strategic Objectives

- **Innovative Product Development:** Continuously advance our technology to meet modern challenges in water and sanitation.
- **Sustainability Leadership:** Lead the way in ecological conservation through sustainable practices in all operations.

Core Services and Technological Solutions

Banka WASH offers an extensive range of services and solutions that address the pressing needs of effective water management and sanitation:

- **Packaged and Large-Scale Urban STPs:** Design, construct, and maintain versatile sewage treatment plants that cater to different scales and needs, using advanced technology for high efficiency and reduced ecological footprints.
- **UrbanSaaS (STP-as-a-Service):** Provide comprehensive management of sewage treatment plants under long-term operational contracts, which include re-engineering, routine maintenance, and full management of wastewater facilities.

- **FootLoo:** Designed to reduce water consumption to almost 75% at household and commercial building.
- **Bio-Toilets in Collaboration with DRDO:** Deploy state-of-the-art bio-toilets for efficient on-site black water treatment, showcasing our commitment to reducing environmental impacts.
- **Faecal Septage Treatment Plants (FSTPs):** Develop and manage FSTPs critical for enhancing sanitation in areas without extensive sewage infrastructure.

Innovations and Achievements

- **Excellent Fiscal Performance:** In WaSH, we expanded our offering from bio-toilet offering to wastewater treatment over the last three years. FY 23-24 saw us achieve INR 35+ crores in new WaSH orders, reflecting strong market confidence in our services and solutions. 25% of our WaSH revenue is derived from long-term operations & maintenance (O&M) contracts, and we aim to expand the scope of WaSH O&M revenue in the next three-years.
- **Launch of 'Chotu MBR':** Introduction of a compact modular membrane bioreactor that addresses the needs of small to medium-scale applications, underlining our focus on adaptable and scalable solutions.

Sustainability and Environmental Stewardship

- **Comprehensive UrbanSaaS Operations:** Currently treating over 4000 KL per day, our UrbanSaaS model demonstrates our capability to manage large-scale operations sustainably and efficiently.
- **Long-term Sustainability Commitments:** Focus on sustainable practices through the re-engineering of existing facilities and the construction of new ones, ensuring long-term viability and ecological benefits.

Client Engagement and Expansion

- **Diverse Industry Collaborations:** Work with leading entities in residential, commercial, retail and industries, which broadens our reach and enhances our ability to provide tailored solutions.
- **Expansion into New Markets:** Continued growth in our project portfolio under the UrbanSaaS model and other EPC contracts, showcasing our increasing presence and adaptability in diverse markets.

LOOKING FORWARD

As we transition into the next fiscal year, Banka WASH is strategically positioned for continued advancement, bolstered by a robust pipeline of projects and burgeoning market opportunities.

With the expansion of our innovative UrbanSaaS solutions across multiple regions, coupled with the growing necessity for environmentally sustainable water treatment systems, we anticipate capturing a significant share of a potential 500+ crore market over the next five years. This expansion is in response to heightened demand for efficient, scalable water management solutions that address both urban and industrial requirements.

Our commitment to transforming water and sanitation management through cutting-edge technology will drive the expansion of our offerings. We project that the market for advanced water management solutions could reach upwards in the next five years, presenting a substantial opportunity for revenue growth and market leadership.

Banka WASH's achievements in FY 23-24 underscore our unwavering dedication to innovation, client satisfaction, and environmental stewardship. As we look to the future, our focus will remain on pioneering solutions that cater to the evolving demands of the water management industry and contribute positively to global sustainability efforts. AUDIT REPORTS &
FINANCIAL STATEMENTS

INDEPENDENT AUDITOR'S REPORT

To the Members of BANKA BIOLOO LIMITED

Report on the Audit of the Standalone Ind AS Financial Statements

Opinion

We have audited the accompanying standalone Ind AS financial statements of BANKA BIOLOO LIMITED ("the Company"), which comprise the Balance Sheet as at 31 March 2024, the Statement of Profit and Loss and the Statement of Cash Flows for the year ended, the Statement of Changes in Equity for the year ended and the notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of this report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matter

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

S. No	Key Audit Matter	How the matter was addressed
I	Revenue Recognition / Trade Receivables / Contract assets	
	1. The Company recognizes revenue from sale of goods based on the terms and conditions of purchase orders / contracts from different customers. Revenue is to be recognized if the control of the goods has been transferred to the customers. The management has assessed this aspect i.e., whether the control of the goods has been transferred.	1. We have obtained an understanding of the revenue recognition process in this behalf, and tested the respective sale / customer orders / contract documents to ensure that the control of the goods has been transferred for recognizing the revenue.
	2. The Company recognizes revenue from contracts and services based on the terms of contract entered with the customers by following percentage completion method for partly completed contracts and services. The estimates of work completion for recognizing the revenue / unbilled revenue and identifying the corresponding costs are assessed by the management based on inputs from its site personnel and the distinctive terms of arrangement with customers.	2. We evaluated the appropriateness of the assumptions applied for assessing the extent of revenue / unbilled revenue and tested the evidence to support the revenue recognition in respect of contracts / services which are partly completed as on the balance sheet date. Further in respect of old outstanding unbilled receivables, company is in confident in realising the amount since the contracts are with the Indian Railways, owned by Government of India.

S. No	Key Audit Matter	How the matter was addressed
II	Investment in a Subsidiary	
	As at March 31, 2024, the Company held investment with a carrying amount of Rs 433.26 lacs in Enzotech Solutions Private Limited, a wholly owned subsidiary.	1. We assessed the Company's valuation methodology applied in determining the fair market value of equity shares. In making this assessment, we evaluated the objectivity and independence of Company's specialists involved in the process.
	Management has used external specialist to support the recoverable amounts of its investment based on fair market value of equity shares of Enzotech Solutions Private Limited as at March 31, 2024.	2. We obtained and read the audited financial statements of the subsidiary to determine the net worth, operating cash flows and other financial indicators.
		3. We also assessed the Company's disclosures concerning this in Note 2.9 on significant accounting estimates and judgements and Note 7 of Investments to the standalone financial statements.
III	Capital Work-In-Progress	
	The Company has incurred significant expenditure on construction of manufacturing block at Ibrahimpatnam as reflected by the total value of capital work in progress in note 4 in the standalone financial statements.	1. Verified all the relevant invoices and vouchers relating to the expenditure incurred on sample basis.
		2. Verified loan sanctioned and its subsequent utilisation with the relevant documents and certificates taken with respective to this unit.
	We considered the capital expenditure as a key audit matter due to significance of amount incurred during the year.	3. We compared the total cost incurred with the budget approved by the board.

S. No	Key Audit Matter	How the matter was addressed
		4. We obtained understanding on management assessment relating to progress of projects and their intention to bring the asset to its intended use.

The Management report, Chairman's statement, Director's report, Business responsibility and Sustainability reporting etc. is expected to be made available to us after the date of this auditor's report. Our opinion on the standalone Ind AS financial statements does not cover the other information and we will not express any form of assurance conclusion thereon. In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. When we read the Management report, Chairman's statement, Director's report, Business responsibility and Sustainability reporting if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance under SA 720 'The Auditor's Responsibilities Relating to Other Information'.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's management and the Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind

AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, the management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors are also responsible for overseeing the company's financial reporting process

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Ind AS financial statements, including the disclosures, and whether the Standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced.

Blue & Beyond: Navigating the Future of Sanitation, Water & Sustainability

We consider quantitative materiality and qualitative factors (i) in planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current year and are therefore the key audit matters.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, we report that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in the paragraph 2i(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.

c) The Balance Sheet, the Statement of Profit and Loss including the Statement of other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.

d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.

e) On the basis of the written representations received from the directors as on 31 March 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2024 from being appointed as a director in terms of Section 164(2) of the Act.

f) The modifications relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 2(b) above on reporting under Section 143(3)(b) of the Act and paragraph 2(i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.

g) With respect to the adequacy of the internal financial controls over financial reporting with reference to these Ind AS standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

h) In our opinion, the managerial remuneration for the year ended 31 March 2024, has been paid / provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act.

i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- | | |
|--|--|
| | i. The Company does not have any pending litigations which would impact its financial position. |
| | ii. The Company did not have any long-term contracts including derivative contracts during the year ending 31 March 2024 for which there were any material foreseeable losses. |
| | iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company |

iv	<p>a) The management has represented that, to the best of its knowledge and belief, as disclosed in the note 47(v) to the standalone financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediaries shall, whether, directly or indirectly lend or invest in other person or entity identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;</p> <p>b) The management has represented that, to the best of its knowledge and belief, as disclosed in the note 47(vi) to the standalone financial statements, no funds have been received by the company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other person or entity identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and</p> <p>c) Based on the audit procedures that were considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) rule 11(e) contain any material misstatement.</p>
v	No dividend has been declared or paid during the year by the Company.
vi.	Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has been operated from 5th April 2023 onwards for all relevant transactions recorded in the software except that the audit trail feature of payroll software used by the company to maintain payroll records, and certain type of vouchers/tables of accounting software did not operate throughout the year.

Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

Since this is the first year of implementation of Proviso to Rule 3(1) of the Companies (Accounts) Rules 2014, reporting requirement for preservation of Audit trail by the company is not applicable for the FY 23-24.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 2(g) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of BANKA BIOLOO LIMITED of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of BANKA BIOLOO LIMITED (“the Company”) as of 31 March 2024 in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

(3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of BANKA BIOLOO LIMITED of even date)

In terms of the information and explanations sought by us and given by the company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

1. In respect of the Company's fixed assets:

- a) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.
- b) The Company has maintained proper records showing full particulars of intangibles assets.
- c) All the property, plant and equipment have not been physically verified by the management during the year but there is regular program of verification which in our opinion is reasonable having regard to the size of the Company and the nature of its assets. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- d) The title deeds of immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favor of the lessee) excepting a piece of industrial land situated at Ibrahimpatnam, Telangana and amounting to Rs. 49.47 lakhs which was acquired from TSIC Ltd (a government undertaking) awaiting registration pending project completion, included in property, plant and equipment are held in the name of the Company.
- e) The Company has not revalued its property, plant and equipment (including right of use assets) or intangible assets during the year ended March 31, 2024.

f) There are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.

2) (a) The inventory has been physically verified by the management during the year. In our opinion, the frequency and coverage of verification requires to be improved given the increased scale of operations and the procedures for such verification are to be tailored accordingly. There were no discrepancies of 10% or more in aggregate for each class of inventory.

(b) As disclosed in Note 22 to the standalone financial statements, the Company has been sanctioned working capital limits in excess of Rs. five crores in aggregate from banks during the year on the basis of security of current assets of the Company. The quarterly statements filed by the Company with such banks show different amounts for the respective current assets as against the amounts shown in the books of accounts of the Company. The differences are tabulated as under:

Quarter ending	Amount of Receivables & Inventories as per statements filed with banks	Amount of Receivables & Inventories as per books of account	Difference (Excess in books)/Short in books*
30th June 2023	1,548.33	2,346.04	(797.71)
30th September 2023	1,443.60	2,408.34	(964.74)
31st December 2023	1,552.43	2,751.21	(1,198.78)
31st March 2024	2,285.93	2,206.16	79.77

* The Company has taken loans against security of current assets and there are differences in quarterly returns or statements of current assets filed by the Company with bank. The differences arose because the bank facilities are not availed on some of the stocks, receivables and service-related trade payables.

*The Company does not have any working capital limits sanctioned from financial institutions.

3) (a) The Company has not provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties during the year. The Company has made investments in, granted unsecured loans and advances in the nature of loans to companies and given corporate guarantee in respect of which the requisite information is as below:

Particulars	Loans	Corporate guarantee
Aggregate amount granted/ provided during the year		
- Subsidiaries	30.16 lakhs	300 lakhs
- Associate Company	NIL	NIL
Balance outstanding as at balance sheet date in respect of above case		
-Subsidiaries	262.59 lakhs	300 lakhs
- Associate Company	12.64 lakhs	NIL

b) In respect of the aforesaid investments and loans, the terms and conditions under which such investments were made, and loans were granted are not prejudicial to the Company's interest.

c) In the case of loans given, there is no stipulation of repayment of principal and payment of interest and hence unable to make specific comment on the regularity of repayment of principal and payment of interest.

d) In the case of loans given, as there is no stipulation of repayment of principal and payment of interest and hence, we are unable to comment on overdue amount for more than ninety days in respect of loans given.

e) In the case of loans given, as there is no stipulation of repayment of principal and payment of interest and hence, we are unable to comment if any loan given falling due during the year has been renewed or extended. However, no fresh loans given to settle the over dues of existing loans given to the same party.

f) In the case of loans given, there is no stipulation of repayment of principal and payment of interest. However, it was mentioned Tenure as "on demand" for the following loans, while reporting related party transactions as on 31 March 2024 to Securities and Exchange board of India.

Particulars	Related Parties
Aggregate amount of loans/ advances in nature of loans	
- Agreement does not specify any terms or period of repayment	275.23 lakhs
Percentage of loans/ advances in nature of loans to the total loans	100%

4) The Company has not granted any loans or provide any guarantees or securities to parties covered under Section 185 of the Act. Further, in our opinion, the Company has complied with the provisions of Sections 186 of the Companies Act, 2013 in respect of the loans and investments made by it, as applicable.

5) The Company has neither accepted any deposits from the public nor accepted any amount which are deemed to be deposits within the meaning of Sections 73 to 76 of the Act and rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause 3(v) of the Order is not applicable to the Company.

6) According to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Act for the products manufactured by it (and/or services provided by it). Accordingly, clause 3(vi) of the Order is not applicable.

7) (a) The company has generally been regular in depositing with appropriate authorities undisputed statutory dues including Goods and Services Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of custom, duty of excise, value added tax, cess and any other statutory dues applicable to it. However, there were minor delays in depositing ESI (Delhi & Telangana regions) and PT (in Kerala region). Further, the company has defaulted in depositing undisputed professional tax of Gujarat Bhavnagar POH amounting to 45,570 Rs/- to the appropriate authorities.

According to the information and explanations given to us, no undisputed amounts payable in respect of goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of custom, duty of excise, value added tax, cess and other statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable, other than the professional tax of Gujarat Bhavnagar POH amounting to 45,570 Rs/- to the appropriate authorities.

(b) According to the information and explanations given to us, there are no dues of income tax, goods and service tax, provident fund, employees' state insurance, customs duty, cess and other statutory dues which have not been deposited on account of any dispute.

8) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.

9) (a) According to the information and explanations given to us, the Company has not defaulted in repayment of loans or borrowing or in payment of interest thereon to any lender.

(b) According to the information and explanations given to us, the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

(c) According to the information and explanations given to us, in our opinion, and according to the information and explanations given to us, the term loans have been applied, on an overall basis, for the purposes for which they were obtained.

(d) According to the information and explanations given to us, on an overall examination of the standalone financial statements of the Company, no funds raised on short-term basis have been used for long-term purposes by the Company.

(e) According to the information and explanations given to us, on an overall examination of the standalone financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries and associates. The Company does not have any joint venture.

(f) According to the information and explanations given to us, the Company has not raised loans during the year on the pledge of securities held in its subsidiaries or associate companies. Hence, the requirement to report on clause (ix)(f) of the Order is not applicable to the Company.

10) No monies were raised by way of public offer or private placement during the year and hence this clause doesn't apply. Further as represented by the management, all the monies raised in the preceding years were completely utilized in FY 22-23 itself, for the purpose for which they were raised.

11) a) Based on examination of the books and records of the Company and according to the information and explanations given to us, considering the principles of materiality outlined in Standards on Auditing, we report that no fraud by the Company or on the Company has been noticed or reported during the course of the audit.

b) According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government.

c) There was no whistle blower complaints raised during the year.

12) The Company is not a Nidhi Company. Accordingly, reporting on clause 3 (xii) of the Order is not applicable to the Company.

13) The Company is in compliance with Section 177 and 188 of the Companies Act, 2013 where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.

Blue & Beyond: Navigating the Future of Sanitation, Water & Sustainability

14) (a) The Company has to strengthen the existing internal audit system commensurate with the size and nature of its business.

(b) The internal audit reports of the Company issued till the date of the audit report, for the period under audit have been considered by us.

15) The Company has not entered into any non-cash transactions with its directors or persons connected with its directors. Accordingly, the requirement to report on clause 3(xv) of the Order is not applicable to the Company.

16) (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 as the company is not engaged in the business of financing. Accordingly, the requirement to report on clause 3(xv) of the Order is not applicable to the Company.

(b) The Company has not conducted any Non-Banking Financial or Housing Finance activities during the year. Accordingly, the requirement to report on clause (xvi)(b) of the Order is not applicable to the Company.

(c) The Company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi) of the Order is not applicable to the Company.

(d) There is no Core Investment Company as part of the Group, hence, the requirement to report on clause 3(xvi) of the Order is not applicable to the Company.

17) The Company has not incurred cash losses in the current financial year or in the immediately preceding financial year.

18) There has been no resignation of the statutory auditors during the year and accordingly the reporting under Clause 3(xviii) of the Order is not applicable to the Company.

19) On the basis of the financial ratios disclosed in Note 46 to the standalone financial statements, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements,

our knowledge of the Board of Directors' and management's plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

Also refer to the Other Information paragraph of our main audit report which explains that the other information comprising the information included in Company's annual report is expected to be made available to us after the date of this auditor's report.

20) The provisions of the subsection (5) of section 135 of Companies Act, 2013 is not applicable. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.

21) The auditors of one of the subsidiary company has made adverse remarks in the Companies (Auditor's Report) Order (CARO) report included in the consolidated financial statements of the Company issued and reported separately. The details thereof are as under:

BANKA BIOLOO LIMITED Notes to the financial statements for the year ended 31 March 2024	
1	<p>Corporate information BANKA BIOLOO LIMITED was initially incorporated as a private limited company under Companies Act, 1956 on 31 August 2012. The Company was converted into a public limited company on 15 November 2017. The Company listed on the National Stock Exchange (NSE) (Emerge: SME Platform) on 27 February 2018. On 17 October 2020, Company moved from SME Platform to NSE Main Board. The Company is engaged in wastewater treatment (bio-toilets, faecal sludge treatment plants (FSTPs), sewage treatment plants and their operation and maintenance).</p>
2	<p>Significant accounting policies The significant accounting policies applied by the Company in the preparation of its financial statements are listed below.</p>
2.1	<p>Basis of Preparation and Presentation The financial statements have been prepared on the historical cost basis and on accrual basis, except for the following items i) Borrowings: Amortised cost using effective interest rate method ii) employee defined benefit assets/(liability): Present value of defined benefit obligations less fair value of plan assets The financial statements have been prepared and presented in accordance with the Indian Accounting Standards ('Ind AS') notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. Up to the year ended 31st Mar, 2017, the Company prepared its financial statements in accordance with accounting standards notified under Section 133 of the Companies Act 2013, read with Rule 7 of Companies (Accounts) Rules, 2014 ('Previous GAAP'). Company's financial statements are presented in Indian Rupees, which is also its functional currency.</p>
2.2	<p>Use of estimates and judgments The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.</p>
2.3	<p>Measurement of fair values Accounting policies and disclosures require measurement of fair value for financial assets and financial liabilities. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either: - In the principal market for the asset or liability or - In the absence of a principal market, in the most advantageous market for the asset or liability. The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.</p>

	<p>Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:</p> <p>Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.</p> <p>Level 2: Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).</p> <p>Level 3: Inputs for the asset or liability that are not based on observable market data (unobservable inputs).</p> <p>When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.</p> <p>The Company recognizes transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.</p>
2.4	<p>'Current and non-current classification:</p> <p>The Schedule III to the Act requires assets and liabilities to be classified as either current or non-current. The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.</p> <p>Assets</p> <p>An asset is classified as a current when it is:</p> <ul style="list-style-type: none"> - it is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle; - it is expected to be realised within twelve months from the reporting date; - it is held primarily for the purposes of being traded; or - is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date. All other assets are classified as non current. <p>Liabilities</p> <p>A liability is classified as a current when:</p> <ul style="list-style-type: none"> - it is expected to be settled in the Company's normal operating cycle; - it is due to be settled within twelve months from the reporting date; - it is held primarily for the purposes of being traded; - the Company does not have an unconditional right to defer settlement of liability for at least twelve months from the reporting date. All other liabilities are classified as non-current. <p>Deferred tax assets/liabilities are classified as non-current.</p> <p>Operating Cycle</p> <p>Operating cycle is the time between the acquisition of assets for processing and realisation in cash or cash equivalents. The Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.</p>

2.5	<p>Property, plant and equipment</p> <p>Property, plant and equipment are stated at cost, net off recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price and any cost directly attributable to bringing the assets to its working conditions for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.</p> <p>Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.</p> <p>When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.</p> <p>Gains and losses upon disposal of an item of property, plant and equipment are determined as the difference between the net disposal proceeds and the carrying amount of property, plant and equipment and are recognised in the statement of profit and loss.</p> <p>Depreciation on property, plant and equipment is provided using written down value method. Depreciation is provided based on useful life of the assets as prescribed in schedule II to the companies Act, 2013.</p> <p>The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.</p>
2.6	<p>Capital Work In Progress</p> <p>Cost incurred for property, plant and equipment that are not ready for their intended use as on the reporting date, is classified under capital work- in-progress. The cost of self-constructed assets includes the cost of materials, Salaries , direct labour, any other costs directly attributable to bringing the assets to the location and condition necessary for it to be capable of operating in the manner intended by management and the borrowing costs attributable to the acquisition or construction of qualifying asset.</p>
2.7	<p>Intangible assets</p> <p>Intangible assets that are acquired by the company are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortization/depletion and impairment loss, if any. Such cost includes purchase price, and any cost directly attributable to bringing the asset to its working condition for the intended use.</p> <p>Subsequent expenditures are capitalised only when they increase the future economic benefits embodied in the specific asset to which they relate.</p> <p>Gains and Losses arising from de-recognition of an intangible assets are recorded in the statement of profit and loss, and are measured as the difference between the net disposal proceeds, if any, and the carrying amount of respective intangible assets as on the date of de-recognition.</p>
2.8	<p>Financial Instruments</p> <p>A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.</p> <p>Financial Assets</p> <p><i>Initial recognition and measurement</i></p> <p>All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchase and sale of financial assets are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.</p>

2.8	<p><i>Subsequent measurement</i></p> <p>i. Financial assets carried at amortised cost (AC) A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.</p> <p>ii. Financial assets at fair value through other comprehensive income (FVTOCI) A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.</p> <p>iii. Financial assets at fair value through profit or loss (FVTPL) A financial asset which is not classified in any of the above categories are measured at FVTPL.</p> <p>Investment in subsidiaries The Company has accounted for its investment in subsidiary at cost.</p> <p>Impairment of financial assets In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).</p> <p>For trade receivables, Company applies 'simplified approach' for recognition of impairment loss allowance on the trade receivable balances. The application of simplified approach require the Company to recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.</p> <p>Financial Liabilities</p> <p><i>Initial recognition and measurement</i> All financial liabilities are recognized at fair value and in case of loans, net of directly attributable transaction costs. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.</p> <p><i>Subsequent measurement</i> Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.</p> <p>Derecognition of financial instruments A financial asset (or a part of the financial asset) is derecognized from the Company's balance sheet when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of the financial liability) is derecognized from the Company's balance sheet when the obligation under the liability is discharged or cancelled or expires.</p> <p>Impairment test of investments in Subsidiaries and Associate Companies The recoverable amount of investment in subsidiaries and Associate companies is based on estimates and assumptions regarding in particular the future cash flows associated with the operations of the investee Company. Any changes in these assumptions may have a material impact on the measurement of the recoverable amount and could result in impairment.</p>
-----	--

2.9	<p>Inventories</p> <p>Inventories consist of raw materials, stores and spares, work-in-progress and finished goods are measured at the lower of cost and net realisable value after providing for obsolescence. .</p> <p>The cost of all categories of inventories is based on the weighted average method. Cost includes expenditures incurred in acquiring the inventories, production or conversion costs and other costs incurred in bringing them to their existing location and condition. In the case of finished goods and work-in-progress, cost includes an appropriate share of overheads based on normal operating capacity.</p> <p>Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.</p>
2.10	<p>Cash and cash equivalents</p> <p>Cash and cash equivalents consist of cash at banks and on hand, demand deposits and other short term deposits that are readily convertible into known amounts of cash, are subject to insignificant risk of changes in value and have a maturity of three months or less.</p>
2.11	<p>Impairment of non-financial assets</p> <p>The carrying amounts of the Company's non-financial assets, other than inventories and deferred tax assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated to determine the extent of impairment if any.</p> <p>The recoverable amount of an asset or cash-generating unit (as defined below) is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or the cash-generating unit. For the purpose of impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the "cash-generating unit").</p> <p>An impairment loss is recognised in the statement of profit and loss to the extent, the carrying amount of an asset or its cash-generating unit exceeds its estimated recoverable amount.</p> <p>The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.</p>
2.12	<p>Provisions, contingent liabilities and contingent assets</p> <p>Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.</p> <p>Contingent liabilities</p> <p>A contingent liability is disclosed when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.</p> <p>Contingent assets</p> <p>Contingent assets are not recognised in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.</p>

2.13	<p>Revenue recognition</p> <p>i. Revenue from contracts Revenue from contracts priced on a time and material basis are recognised as the related services are rendered and the related costs are incurred. Revenue from the end of the last invoicing to the reporting date is recognized as unbilled revenue.</p> <p>Revenue from fixed price contracts is recognised as per the 'percentage of completion' method, where the performance obligations are satisfied over time and when there is no uncertainty as to measurement or collectability of consideration.</p> <p>FSTP O & M Contracts has been recognized as revenue in the current financial year as per the Appendix D of Ind As 115. Unbilled pertains to the contracts where the Company completed it's performance obligations and has got unconditional right for the consideration, but the billing is due because of the billing cycle.</p> <p>ii. Revenue from services Service income is recognised as per the terms of contracts with the customer, when the related services are performed and where the service is rendered but not invoiced on account of customer end compliances, the same is recognised as unbilled revenue.</p> <p>iii. Sale of goods Revenue from sale of goods is recognised when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated costs can be estimated reliably, there is no continuing effective control or management involvement with the goods, and the amount of revenue can be measured reliably.</p> <p>Revenue from sale of goods is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms and excluding taxes or duties collected on behalf of the government.</p> <p>iv. Interest Income Interest income is accrued on a time proportion basis, by reference to the principal outstanding and effective interest rate applicable.</p>
2.14	<p>Employee Benefits Expense</p> <p>i. Short Term Employee Benefits The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.</p> <p>ii. Post-Employment Benefits</p> <p>Defined Contribution Plans A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity. The Company's contributions to defined contribution plans are recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.</p> <p>Defined Benefit Plans The liability in respect of gratuity benefit is determined using the Projected Unit Credit Method based on actuarial valuation, performed by an independent qualified actuary.</p> <p>Re-measurement of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income.</p>

2.15	<p>Finance cost</p> <p>Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale are capitalized as part of the cost of such assets.</p> <p>All other borrowing costs are charged to the statement of profit and loss for which they are incurred.</p>
2.16	<p>Foreign currencies transactions and translation</p> <p>Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date.</p> <p>Exchange differences arising on settlement or translation of monetary items are recognised in Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets, are capitalized as cost of assets.</p> <p>Non-Monetary items that are measured in terms of historical cost in a foreign currency are recorded using the exchange rates at the date of transaction.</p>
2.17	<p>Tax Expenses</p> <p>The tax expense for the period comprises current and deferred tax. Tax expense is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity.</p> <p>Current tax</p> <p>Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantively enacted at the reporting date, and any adjustment to tax payable in respect of previous years.</p> <p>Deferred tax</p> <p>Deferred tax is recognised using the balance sheet method on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding amounts used in the computation of taxable profit.</p> <p>Deferred tax liabilities and assets are measured at the tax rates that are expected to apply to the temporary differences in the period in which the liability is settled or the asset realised, based on tax laws that have been enacted or substantively enacted by the end of the reporting period.</p> <p>A deferred tax asset is recognised to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilised. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised.</p>

2.18	<p>Leases</p> <p>The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.</p> <p>The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right of use assets representing the right to use the underlying assets.</p> <p>1) Right-to-use assets</p> <p>The Company recognises right of use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right of use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right of use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right of use assets are depreciated on a straight line basis over the shorter of the lease term and the estimated useful lives of the assets. If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset.</p> <p>The right of use assets are also subject to impairment</p> <p>ii) Lease Liabilities</p> <p>At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivables, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease. If the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.</p> <p>In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.</p> <p>iii) Short-term leases and leases of low-value assets</p> <p>The Company applies the short-term lease recognition exemption to its short term leases of office premises (i.e. those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of office premises that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight line basis over the lease term.</p>
2.19	<p>Earnings per share</p> <p>The Company presents basic and diluted earnings per share ("EPS") data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the period.</p> <p>Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding for the effects of all dilutive potential ordinary shares except where the result would be anti dilutive.</p>
2.20	<p>Statement of Cash flows</p> <p>Statement of Cash flows is prepared in accordance with the indirect method prescribed in Ind As- 7 Statement of Cashflows</p>

44. Financial Risk Management		
<p>In course of its business, the company is exposed to certain financial risk such as market risk , credit risk and liquidity risk that could have significant influence on the company's business and operational/financial performance. The Board of directors and the Audit Committee reviews and approves risk management framework and policies for managing these risks and monitor suitable mitigating actions taken by the management to minimize potential adverse effects and achieve greater predictability to earnings.</p> <p>a. Credit risk Credit Risk refers to the risk that counterparty will default on its contractual obligations resulting in financial loss to the company. The Company has a prudent and conservative process for managing its credit risk raising in the course of its business activities. Credit risk is managed through continuously monitoring the creditworthiness of customers and obtaining sufficient collateral, where appropriate, a means of mitigating the risk of financial loss from defaults.</p> <p>The company makes an allowance for doubtful debts/advances using expected credit loss model.</p>		

b. Liquidity risk

Liquidity Risk refers to the risk that the company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation.

The company has obtained fund and non fund based working capital loans from bank .The borrowed funds are generally applied for company's own operational activities.The company manages the liquidity and fund requirements for its day to day operations like working capital, suppliers /buyers credit.

The table below provides details regarding the contractual maturities of significant financial liabilities.

c. Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices such as commodity prices, foreign currency exchange rates and other market changes.

The Board of Directors are responsible for setting up of policies and procedures to manage market risks.

d. Exchange rate risk

The company has no foreign operations and aslo all the foreign payments are made in advance. Hence the company is not exposed to exchange rate risk.

e. Interest rate risk		
Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. The company's exposure to the risk of changes in the market interest rate relates primarily to the company's long term debt obligations with floating interest rates. The company's interest rate exposure is mainly related to variable interest rates debt obligations.		
The Company manages the interest rate risks by entering into different kinds of loan arrangements with varied terms (e.g. fixed rate loans, floating rate loans, rupee term loans,etc.).		
The Interest rate profile of the Company's interest-bearing financial instruments as reported to the management of the company is as follows:		
Particulars	Year ended 31 March 2024	Year ended 31 March 2023
Floating rate instruments		
Financial liabilities		
Term loans from banks	177.48	96.00
Working capital facilities from bank	894.10	644.01
Total	1,071.58	740.01
Cash flow sensitivity analysis for variable -rate instruments		
The risk estimates provided assume a change of 25 basis points interest rate for the interest rate benchmark as applicable to the borrowing summarised above. This calculation assumes that the change occurs at the balance sheet date and has been calculated on risk exposures outstanding as at that date assuming that all other variables, in particular foreign currency exchange rates, remain constant. The period end balances are not necessarily representative of the average debt outstanding during the period.		
Cash flow sensitivity (net)	Profit or loss	
	25 bp increase	25 bp decrease

* excludes Financial assets measured at cost

The management assessed that cash and cash equivalents, trade receivables, trade payables and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The financial instruments are categorized into three levels based on the inputs used to arrive at fair value measurements as described below:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.

Level 2: Inputs other than the quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: Unobservable Inputs for the asset or liability.

INDEPENDENT AUDITOR'S REPORT

To the Members of BANKA BIOLOO LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated Financial Statements of BANKA BIOLOO LIMITED (hereinafter referred to as the "Holding Company") and its subsidiaries (Holding Company and its Subsidiaries together referred to as "The Group"), its Associate, which comprise Consolidated Balance Sheet as at 31 March 2024, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), Consolidated Statement of Changes in Equity and Consolidated Statement of Cash Flows for the year then ended, and notes to the Consolidated Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "Consolidated Financial Statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the group, its associate as at 31 March 2024, and their consolidated profit including other comprehensive income, their consolidated statement of changes in equity and their consolidated cashflows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the group, its associate in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence obtained by us along with the consideration of reports of the other auditors referred to in "Other Matters" section below, is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Key Audit Matter

Key audit matters are those matters that, in our professional judgement and based on the consideration of reports of other auditors on consolidated financial statements of components audited by them were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

S. No	Key Audit Matter	How the matter was addressed
I	Revenue Recognition / Trade Receivables / Contract assets	
	1.The Company recognizes revenue from sale of goods based on the terms and conditions of purchase orders / contracts from different customers. Revenue is to be recognized if the control of the goods has been transferred to the customers. The management has assessed this aspect i.e., whether the control of the goods has been transferred.	1. We have obtained an understanding of the revenue recognition process in this behalf, and tested the respective sale / customer orders / contract documents to ensure that the control of the goods has been transferred for recognizing the revenue.
	2. The Company recognizes revenue from contracts and services based on the terms of contract entered with the customers by following percentage completion method for partly completed contracts and services. The estimates of work completion for recognizing the revenue / unbilled revenue and identifying the corresponding costs are assessed by the management based on inputs from its site personnel and the distinctive terms of arrangement with customers.	2. We evaluated the appropriateness of the assumptions applied for assessing the extent of revenue / unbilled revenue and tested the evidence to support the revenue recognition in respect of contracts / services which are partly completed as on the balance sheet date.

S. No	Key Audit Matter	How the matter was addressed
II	Capital Work-In-Progress	
	The Company has incurred significant expenditure on construction of manufacturing block at Ibrahimpatnam as reflected by the total value of capital work in progress in note 4 in the standalone financial statements.	
	We considered the capital expenditure as a key audit matter due to significance of amount incurred during the year.	1.Verified all the relevant invoices and vouchers relating to the expenditure incurred on sample basis.
		2.Verified loan sanctioned and its subsequent utilisation with the relevant documents and certificates taken with respective to this unit.
		3. We compared the total cost of addition with the budget approved by the board.
		4.We obtained understanding on management assessment relating to progress of projects and their intention to bring the asset to it intended use.

Information Other than the Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Report, Chairman's statement, Director's report, Business responsibility and Sustainability reporting etc but does not include the Consolidated Ind AS financial statements and the auditor's report thereon. The Management Report, Chairman's statement, Director's report, Business responsibility and Sustainability reporting etc is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Management report, Chairman's statement, Director's report, Business responsibility and Sustainability reporting if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance under SA 720 'The Auditor's Responsibilities Relating to Other Information'.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Holding Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income and consolidated cash flows and consolidated statement of changes in equity of the group including its associate in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. The respective Management and Board of Directors of the companies included in the Group and of its associates and joint ventures are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements under Ind AS that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Management and Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective management and Board of Directors of companies included in the group and of its associate are responsible for assessing the ability of each company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Management/Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates are responsible for overseeing the financial reporting process of the Group and of its associates.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the parent has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and Board of Directors.
- Conclude on the appropriateness of management and Board of Directors use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the group and its associate to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated financial statements, including the disclosures, and whether the Consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial statements of such entities or business activities within the Group and its associate to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in section titled "Other Matters" in this audit report.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors (i) in planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Statements.

We communicate with those charged with governance of the Holding Company and such other

entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other matters

We did not audit the financial statements/financial information of wholly owned subsidiary viz., Enzotech Solutions Pvt. Ltd., included in the consolidated financial results, whose financial statements/financial information reflects total assets of Rs.907.27lakhs and total revenues of Rs. 239.46 lakhs for year ended March 31, 2024, respectively, total net loss of Rs.76.09 lakhs and total comprehensive loss of Rs 76.09 lakhs for the year ended March 31, 2024. This financial statements/financial information have been audited/reviewed by other auditors whose reports have been furnished to us by the management and our opinion and conclusion on the statement, in so far as it relates to the amounts and disclosures included in respect of the said wholly owned subsidiary is solely on the reports of the other auditors and the procedures performed by us as stated under auditor's responsibilities stated above.

The consolidated financial statements also include the Group's share of net profit and other comprehensive income loss of Rs 2.10 lakhs for the year ended 31 March 2024, in respect of one associate, whose financial statements have not been audited either by us or by other auditors. Our opinion on the consolidated financial statements, in so far as it

relates to the amounts and disclosures included in respect of these associates in terms of sub-sections (3) of Section 143 of the Act in so far as it relates to the aforesaid associates, is based solely on such unaudited financial statements made available. In our opinion and according to the information and explanations given to us by the Management, these financial statements are not material to the Group.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2.As required by Section 143(3) of the Act, based on our audit and on the consideration of reports of the other auditors on separate/ consolidated financial statements of such subsidiary and associates as were audited by other auditors, as noted in the "Other Matters" paragraph, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors except for the matters stated in paragraph 2(i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
 - c) The consolidated balance sheet, the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated statement of cash flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - d) In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) (Ind AS) Rules, 2015, as amended.
 - e) On the basis of the written representations received from the directors of the Holding

Company as on 31 March 2024 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies and associate companies incorporated in India, none of the directors of the Group companies and its associate companies incorporated in India is disqualified as on 31 March 2024 from being appointed as a director in terms of Section 164(2) of the Act

f) The modifications relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 2(b) above on reporting under Section 143(3)(b) of the Act and paragraph 2(i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.

g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company and its subsidiary company and associate company incorporated in India and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".

h) In our opinion, the managerial remuneration for the year ended 31 March 2024 has been paid / provided by the Holding Company and the subsidiaries to their directors in accordance with the provisions of section 197 read with Schedule V to the Act.

i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate/consolidated financial statements of the subsidiaries and associates as noted in the "Other Matters" paragraph:

i. The group including its associates do not have any pending litigations which would impact the consolidated financial position of the group.

ii. The group including its associates did not have any long-term contracts including derivative contracts during the year ended 31 March 2024 for which there were any material foreseeable losses

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company or its subsidiary companies and associate companies incorporated in India during the year ended 31 March 2024.

iv. a) The management has represented that, to the best of its knowledge and belief, as disclosed in the note 48(vii) to the standalone financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or its subsidiary companies and associate companies in India to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediaries shall, whether, directly or indirectly lend or invest in other person or entity identified in any manner whatsoever by or on behalf of the Holding Company or its subsidiary companies and associate companies in India ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

b) The management has represented that, to the best of its knowledge and belief, as disclosed in the note 48(viii) to the standalone financial statements no funds have been received by the Holding Company or its subsidiary companies and associate companies in India from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company or its subsidiary companies and associate companies in India shall, whether, directly or indirectly, lend or invest in other person or entity identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances performed by us and that performed by the auditors of the subsidiaries, associates and joint ventures which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our or other auditor's notice that has caused us or the other auditors to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), of the Companies (Audit and Auditors) Rules, 2014, as provided under (a) and (b) above, contain any material misstatement.

v. No dividend has been declared or paid during the year by the Holding Company or its subsidiary companies and associate companies in India.

vi. Based on our examination, which included test checks, and that performed by the respective auditors of the subsidiary companies, associate company which are companies incorporated in India whose financial statements/financial information have been audited under the Act, except for the instances mentioned below, the Holding Company and its subsidiary companies, associate company and have an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has been operated from 5th April 2023 for all relevant transactions recorded in the respective software.

- In respect of the Holding Company, its Subsidiary Company, Mega Liter Varunaa Private limited and one Associate Company, Sai Banka SPV Private limited, that the audit trail feature of payroll software used by the company to maintain payroll records, and certain type of vouchers/tables of accounting software did not operate throughout the year.
- In respect of consolidation adjustment entries, the feature of recording audit trail (edit log) facility was not maintained as the entries were passed out of accounting software i.e. in the spread sheets.

Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

Since this is the first year of implementation of Proviso to Rule 3(1) of the Companies (Accounts) Rules 2014, reporting requirement for preservation of Audit trail by the company is not applicable for the FY 23-24.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT ON CONSOLIDATED FINANCIAL STATEMENTS OF BANKA BIOLOO LIMITED FOR THE YEAR ENDED 31 MARCH 2024

(Referred to in paragraph 2(g) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of BANKA BIOLOO LIMITED of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31 March 2024, we have audited the internal financial controls with reference to consolidated financial statements of BANKA BIOLOO LIMITED (hereinafter referred to as “the Holding Company”) and such companies incorporated in India under the Companies Act, 2013 which are its subsidiary companies and its associate companies as of that date.

Management’s Responsibility for Internal Financial Controls

The respective Company’s management and the Board of Directors are responsible for establishing and maintaining internal financial controls with reference to consolidated financial statements based on the criteria established by the respective Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements based on our audit. We conducted our

audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to consolidated financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the relevant subsidiary companies and associate companies in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting

and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

(1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

(3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and such companies incorporated in India which are its subsidiary companies and its associate companies, have, in all material respects, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls were operating effectively as at 31 March 2024, based on the internal financial controls with reference to consolidated financial statements criteria established by such companies considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Other Matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements insofar as it relates to subsidiary companies, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India.

1	<p>Corporate information</p> <p>BANKA BIOLOO LIMITED was initially incorporated as a private limited company under Companies Act, 1956 on 31 August 2012. The Company was converted into a public limited company on 15 November 2017. The Company listed on the National Stock Exchange (NSE) (Emerge: SME Platform) on 27 February 2018. On 17 October 2020, company moved from SME Platform to NSE Main Board). The Company is engaged in the business of manufacturing, supplying and installation of Bio toilets, setting up Fecal Sludge Treatment Plants (FSTPs), waste water treatment plants, Effluent treatment plants and their operation and maintenance.</p>
2	<p>Significant accounting policies</p> <p>The significant accounting policies applied by the Company in the preparation of its financial statements are listed below.</p>
2.1	<p>Basis of Preparation and Presentation</p> <p>The consolidated financial statements have been prepared on the historical cost basis and on accrual basis, except for the following items</p> <ul style="list-style-type: none"> i) Borrowings: Amortised cost using effective interest rate method ii) employee defined benefit assets/(liability): Present value of defined benefit obligations less fair value of plan assets <p>The consolidated financial statements have been prepared and presented in accordance with the Indian Accounting Standards ('Ind AS') notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. Up to the year ended 31st Mar, 2017, the Company prepared its financial statements in accordance with accounting standards notified under Section 133 of the Companies Act 2013, read with Rule 7 of Companies (Accounts) Rules, 2014 ('Previous GAAP').</p> <p>Company's financial statements are presented in Indian Rupees, which is also its functional currency.</p>
2.2	<p>Principles of Consolidation</p> <p>The consolidated financial statements relate to Banka BioLoo Ltd and its subsidiary company Enzotech Solutions Private Limited, Megaliter Varunaa Pvt Ltd., and its associates Sai Banka SPV Pvt Ltd and Sustainable Sanitation Industry Association (Incorporated as section 8 Company under the Companies Act, 2013). Sustainable Sanitation Industry Association (Sec 8 Company under the Companies Act 2013) has no operations in FY 2023-24. The management has disposed this investment in the FY 23-24. The consolidated financial statements have been prepared on the following basis:</p> <p>Subsidiaries</p> <p>Subsidiaries are all entities (including special purpose entities) that are controlled by the Company. Control exists when the Company is exposed to, or has rights to variable returns from its involvement with the entity and has the ability to affect those returns through power over the entity. In assessing control, potential voting rights are considered only if the rights are substantive. The financial statements of subsidiaries are included in these consolidated financial statements from the date that control commences until the date that control ceases</p> <p>The financial statements of the Company and its subsidiaries are combined on a line by line basis by adding together like items of assets, liabilities, equity, incomes, expenses and cash flows after fully eliminating intra-group balances and intra-group transactions.</p> <p>Profits or losses resulting from intra-group transactions that are recognised in assets, such as inventory and property, plant & equipment are eliminated in full. Offset (eliminate) the carrying amount of the parent's investment in subsidiary and the parent's portion of equity of subsidiary.</p> <p>Non-controlling interests in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, statement of comprehensive income, statement of changes in equity and balance sheet respectively.</p>

	<p>For the purpose of preparing these consolidated financial statements, the accounting policies of subsidiaries have been changed where necessary to align them with the policies adopted by the Company</p> <p>Changes in the Group's equity interest in a subsidiary that do not result in a loss of control are accounted for as equity transactions.</p> <p>Associates Investments in associates are accounted for using the equity method and are initially recognised at cost.</p> <p>For the purpose of preparing these consolidated financial statements, the accounting policies of associates have been changed where necessary to align them with the policies adopted by the Company</p>
2.3	<p>Use of estimates and judgments The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.</p> <p>Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.</p>
2.4	<p>Measurement of fair values Accounting policies and disclosures require measurement of fair value for financial assets and financial liabilities. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:</p> <ul style="list-style-type: none"> - In the principal market for the asset or liability or - In the absence of a principal market, in the most advantageous market for the asset or liability. <p>The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.</p> <p>The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.</p> <p>Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows: Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities. Level 2: Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices). Level 3: Inputs for the asset or liability that are not based on observable market data (unobservable inputs).</p> <p>When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.</p> <p>The Company recognizes transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.</p>

2.5	<p>Current and non-current classification: The Schedule III to the Act requires assets and liabilities to be classified as either current or non-current. The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.</p> <p>Assets An asset is classified as a current when it is:</p> <ul style="list-style-type: none"> - it is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle; - it is expected to be realised within twelve months from the reporting date; - it is held primarily for the purposes of being traded; or - is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date. All other assets are classified as non current. <p>Liabilities A liability is classified as a current when:</p> <ul style="list-style-type: none"> - it is expected to be settled in the Company's normal operating cycle; - it is due to be settled within twelve months from the reporting date; - it is held primarily for the purposes of being traded; - the Company does not have an unconditional right to defer settlement of liability for atleast twelve months from the reporting date. All other liabilities are classified as non-current. <p>Deferred tax assets/liabilities are classified as non-current.</p> <p>Operating Cycle Operating cycle is the time between the acquisition of assets for processing and realisation in cash or cash equivalents. The Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.</p>
2.6	<p>Property, plant and equipment Property, plant and equipment are stated at cost, net off recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price and any cost directly attributable to bringing the assets to its working conditions for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.</p> <p>Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.</p> <p>When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.</p> <p>Gains and losses upon disposal of an item of property, plant and equipment are determined as the difference between the net disposal proceeds and the carrying amount of property, plant and equipment and are recognised in the statement of profit and loss.</p> <p>Depreciation on property, plant and equipment is provided using written down vale method. Depreciation is provided based on useful life of the assets as prescribed in schedule II to the companies Act, 2013.</p> <p>The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.</p>

2.7	<p>Capital Work In Progress Cost incurred for property, plant and equipment that are not ready for their intended use as on the reporting date, is classified under capital work- in-progress. The cost of self-constructed assets includes the cost of materials, Salaries , direct labour, any other costs directly attributable to bringing the assets to the location and condition necessary for it to be capable of operating in the manner intended by management and the borrowing costs attributable to the acquisition or construction of qualifying asset.</p>
2.8	<p>Intangible assets Intangible assets that are acquired by the company are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortization/depletion and impairment loss, if any. Such cost includes purchase price, and any cost directly attributable to brining the asset to its working condition for the intended use.</p> <p>Subsequent expenditures are capitalised only when they increase the future economic benefits embodied in the specific asset to which they relate.</p> <p>Gains and Losses arising from de-recognition of an intangible assets are recorded in the statement of profit and loss, and are measured as the difference between the net disposal proceeds, if any, and the carrying amount of respective intangible assets as on the date of de-recognition.</p>
2.9	<p>Financial Instruments A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.</p> <p>Financial Assets <i>Initial recognition and measurement</i> All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchase and sale of financial assets are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.</p> <p><i>Subsequent measurement</i></p> <p>i. Financial assets carried at amortised cost (AC) A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.</p> <p>ii. Financial assets at fair value through other comprehensive income (FVTOCI) A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.</p> <p>iii. Financial assets at fair value through profit or loss (FVTPL) A financial asset which is not classified in any of the above categories are measured at FVTPL.</p> <p>Investment in subsidiaries The Company has accounted for its investment in subsidiary at cost.</p> <p>Impairment of financial assets In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL). For trade receivables, Company applies 'simplified approach' for recognition of impairment loss allowance on the trade receivable balances. The application of simplified approach require the Company to recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.</p>

	<p>Financial Liabilities</p> <p><i>Initial recognition and measurement</i></p> <p>All financial liabilities are recognized at fair value and in case of loans, net of directly attributable transaction costs. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.</p> <p><i>Subsequent measurement</i></p> <p>Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.</p> <p>Derecognition of financial instruments</p> <p>A financial asset (or a part of the financial asset) is derecognized from the Company's balance sheet when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of the financial liability) is derecognized from the Company's balance sheet when the obligation under the liability is discharged or cancelled or expires.</p>
2.10	<p>Impairment test of investments in Associate Companies.</p> <p>The recoverable amount of investment in Associate companies is based on estimates and assumptions regarding in particular the future cash flows associated with the operations of the investee Company.</p> <p>Any changes in these assumptions may have a material impact on the measurement of the recoverable amount and could result in impairment</p>
2.11	<p>Inventories</p> <p>Inventories consist of raw materials, stores and spares, work-in-progress and finished goods are measured at the lower of cost and net realisable value after providing for obsolescence.</p> <p>The cost of all categories of inventories is based on the weighted average method. Cost includes expenditures incurred in acquiring the inventories, production or conversion costs and other costs incurred in bringing them to their existing location and condition. In the case of finished goods and work-in-progress, cost includes an appropriate share of overheads based on normal operating capacity.</p> <p>Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.</p>
2.12	<p>Cash and cash equivalents</p> <p>Cash and cash equivalents consist of cash at banks and on hand, demand deposits and other short term deposits that are readily convertible into known amounts of cash, are subject to insignificant risk of changes in value and have a maturity of three months or less.</p>
2.13	<p>Impairment of non-financial assets</p> <p>The carrying amounts of the Company's non-financial assets, other than inventories and deferred tax assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated to determine the extent of impairment if any.</p> <p>The recoverable amount of an asset or cash-generating unit (as defined below) is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or the cash-generating unit. For the purpose of impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the "cash-generating unit").</p> <p>An impairment loss is recognised in the statement of profit and loss to the extent, the carrying amount of an asset or its cash-generating unit exceeds its estimated recoverable amount.</p> <p>The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.</p>

2.14	<p>Provisions, contingent liabilities and contingent assets</p> <p>Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.</p> <p><i>Contingent liabilities</i></p> <p>A contingent liability is disclosed when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.</p> <p><i>Contingent assets</i></p> <p>Contingent assets are not recognised in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.</p>
2.15	<p>Revenue recognition</p> <p><i>i. Revenue from contracts</i></p> <p>Revenue from contracts priced on a time and material basis are recognised as the related services are rendered and the related costs are incurred. Revenue from the end of the last invoicing to the reporting date is recognized as unbilled revenue.</p> <p>Revenue from fixed price contracts is recognised as per the 'percentage of completion' method, where the performance obligations are satisfied over time and when there is no uncertainty as to measurement or collectability of consideration.</p> <p>FSTP O & M Contracts has been recognized as revenue in the current financial year as per the Appendix D of Ind As 115.</p> <p>Unbilled pertains to the contracts where the Company completed its performance obligations and has got unconditional right for the consideration, but the billing is due because of the billing cycle.</p> <p><i>ii. Revenue from services</i></p> <p>Service income is recognised as per the terms of contracts with the customer, when the related services are performed and where the service is rendered but not invoiced on account of customer end compliances, the same is recognised as unbilled revenue.</p> <p><i>iii. Sale of goods</i></p> <p>Revenue from sale of goods is recognised when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated costs can be estimated reliably, there is no continuing effective control or management involvement with the goods, and the amount of revenue can be measured reliably.</p> <p>Revenue from sale of goods is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms and excluding taxes or duties collected on behalf of the government.</p> <p><i>iv. Revenue from Rental contracts</i></p> <p>Company collects the revenue from the customers by way of operating and maintenance of Waste Water / Effluent Treatment Plants on BOOT basis.</p> <p><i>v. Interest Income</i></p> <p>Interest income is accrued on a time proportion basis, by reference to the principal outstanding and effective interest rate applicable.</p>

2.16	<p>Employee Benefits Expense</p> <p><i>i. Short Term Employee Benefits</i> The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.</p> <p><i>ii. Post-Employment Benefits</i></p> <p><i>Defined Contribution Plans</i> A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity. The Company's contributions to defined contribution plans are recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.</p> <p><i>Defined Benefit Plans</i> The liability in respect of gratuity benefit is determined using the Projected Unit Credit Method based on actuarial valuation, performed by an independent qualified actuary.</p> <p>Re-measurement of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income.</p>
2.17	<p>Finance cost</p> <p>Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale are capitalized as part of the cost of such assets.</p> <p>All other borrowing costs are charged to the statement of profit and loss for which they are incurred.</p>
2.18	<p>Foreign currencies transactions and translation</p> <p>Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date.</p> <p>Exchange differences arising on settlement or translation of monetary items are recognised in Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets, are capitalized as cost of assets.</p> <p>Non-Monetary items that are measured in terms of historical cost in a foreign currency are recorded using the exchange rates at the date of transaction.</p>
2.19	<p>Tax Expenses</p> <p>The tax expense for the period comprises current and deferred tax. Tax expense is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity.</p> <p><i>Current tax</i> Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantively enacted at the reporting date, and any adjustment to tax payable in respect of previous years.</p> <p><i>Deferred tax</i> Deferred tax is recognised using the balance sheet method on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding amounts used in the computation of taxable profit.</p>

	<p>Deferred tax liabilities and assets are measured at the tax rates that are expected to apply to the temporary differences in the period in which the liability is settled or the asset realised, based on tax laws that have been enacted or substantively enacted by the end of the reporting period.</p> <p>A deferred tax asset is recognised to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilised. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised.</p>
<p>2.20 Leases</p>	<p>The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.</p> <p>The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right of use assets representing the right to use the underlying assets.</p> <p><i>1) Right-to-use assets</i></p> <p>The Company recognises right of use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right of use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right of use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right of use assets are depreciated on a straight line basis over the shorter of the lease term and the estimated useful lives of the assets. If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset.</p> <p>The right of use assets are also subject to impairment</p> <p><i>ii) Lease Liabilities</i></p> <p>At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivables, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease. If the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.</p> <p>In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.</p> <p><i>iii) Short-term leases and leases of low-value assets</i></p> <p>The Company applies the short-term lease recognition exemption to its short term leases of office premises (i.e. those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of office premises that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight line basis over the lease term.</p>
<p>2.21 Earnings per share</p>	<p>The Company presents basic and diluted earnings per share ("EPS") data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the period.</p>

	Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding for the effects of all dilutive potential ordinary shares except where the result would be anti dilutive.
2.22	Statement of Cash flows Statement of Cash flows is prepared in accordance with the indirect method prescribed in Ind As- 7 Statement of Cashflows
2.23	Business combinations Business Combinations are accounted for using the acquisition method of accounting. The cost of an acquisition is measured at the fair value of the assets transferred, equity instruments issued and The Group accounts for its business combinations under acquisition method of accounting. Acquisition related costs are recognised in Consolidated Statement of Profit and Loss as incurred. The acquiree's identifiable assets, liabilities and contingent liabilities that meet the condition for recognition are recognised at their fair values at the acquisition date. liabilities assumed at their acquisition date i.e. the date on which control is acquired The interest of non-controlling shareholders is initially measured either at fair value or at the non-controlling interests' proportionate share of the acquiree's identifiable net assets. The choice of measurement basis is made on an acquisition-by acquisition basis. Subsequent to acquisition, the carrying amount of non-controlling interests is the amount of those interests at initial recognition plus the non-controlling interests' share of subsequent changes in equity of subsidiaries. Goodwill Goodwill arising on business combination is initially measured at cost, being the excess of the aggregate of the consideration transferred and the amount recognised for non-controlling interests, and any previous interest held, over the fair value of net identifiable assets acquired and liabilities assumed. After initial recognition, goodwill is measured at cost less any accumulated impairment losses. For the purpose of impairment testing, goodwill acquired in a business combination is, from the acquisition date, allocated to each of the Group's cash-generating units that are expected to benefit from the combination, irrespective of whether other assets or liabilities of the acquiree are assigned to those units

44. Financial Risk Management		
In course of its business, the company is exposed to certain financial risk such as market risk , credit risk and liquidity risk that could have significant influence on the company's business and operational/financial performance. The Board of directors and the Audit Committee reviews and approves risk management framework and policies for managing these risks and monitor suitable mitigating actions taken by the management to minimize potential adverse effects and achieve greater predictability to earnings.		
a. Credit risk		
Credit Risk refers to the risk that counterparty will default on its contractual obligations resulting in financial loss to the company. The Company has a prudent and conservative process for managing its credit risk raising in the course of its business activities. Credit risk is managed through continuously monitoring the creditworthiness of customers and obtaining sufficient collateral, where appropriate, a means of mitigating the risk of financial loss from defaults.		
The company makes an allowance for doubtful debts/advances using expected credit loss model.		

b. Liquidity risk

Liquidity Risk refers to the risk that the company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation.

The company has obtained fund and non fund based working capital loans from bank .The borrowed funds are generally applied for company's own operational activities.The company manages the liquidity and fund requirements for its day to day operations like working capital, suppliers /buyers credit.

The table below provides details regarding the contractual maturities of significant financial liabilities.

c. Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices such as commodity prices, foreign currency exchange rates and other market changes.

The Board of Directors are responsible for setting up of policies and procedures to manage market risks.

d. Exchange rate risk

The company has no foreign operations and aslo all the foreign payments are made in advance. Hence the company is not exposed to exchange rate risk.

e. Interest rate risk		
Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. The company's exposure to the risk of changes in the market interest rate relates primarily to the company's long term debt obligations with floating interest rates. The company's interest rate exposure is mainly related to variable interest rates debt obligations.		
The Company manages the interest rate risks by entering into different kinds of loan arrangements with varied terms (e.g. fixed rate loans, floating rate loans, rupee term loans,etc.).		
The Interest rate profile of the Company's interest-bearing financial instruments as reported to the management of the company is as follows:		
Particulars	Year ended 31 March 2024	Year ended 31 March 2023

* excludes Financial assets measured at cost

The management assessed that cash and cash equivalents, trade receivables, trade payables and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The financial instruments are categorized into three levels based on the inputs used to arrive at fair value measurements as described below:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.

Level 2: Inputs other than the quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: Unobservable Inputs for the asset or liability.

Notes:

1. A statement pursuant to Section 102(1) of the Companies Act, 2013, relating to the special businesses to be transacted at the 12th Annual General Meeting, is annexed hereto as Annexure I.
2. In terms of Section 152 of the Act, Mr. Akhilesh Kumar Tripathi (DIN: 05338290), retires by rotation at this Meeting, and being eligible, offers himself for re-appointment. The Board of Directors of the Company recommends his re-appointment. Details of the Directors seeking appointment/re-appointment, as required in terms of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, and Secretarial Standard on General Meetings (SS-2), issued by The Institute of Company Secretaries of India, are provided as Annexure III to this Notice.
3. The Ministry of Corporate Affairs ("MCA") has, vide General Circular No. 09/2023 dated 25 September 2023, read along with General Circular No. 10 and 11/2022 dated 28 December 2022, General Circular No. 2/2022 dated 5 May 2022, General Circular No. 21/2021 dated 14 December 2021, General Circular No. 19/2021 dated 8 December 2021, General Circular No. 02/2021 dated 13 January 2021, General Circular No. 20/2020 dated 5 May 2020, General Circular No. 17/2020 dated 13 April 2020, and General Circular No. 14/2020 dated 8 April 2020 (collectively referred to as "MCA Circulars"), permitted companies to conduct Annual General Meeting ("AGM") through video conferencing ("VC") or other audio-visual means ("OAVM"), subject to the compliance of various conditions mentioned therein. In compliance with the MCA Circulars, and applicable provisions of the Companies Act, 2013, and Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), the 12th AGM of the Company is being convened and conducted through VC/OAVM.
4. The Company has enabled the members to participate in the 12th AGM without physical presence, through the VC/OAVM facility provided by Bigshare Services Private Limited ("Bigshare"). The instructions for participation by members are given in the subsequent paragraphs.
5. Pursuant to the provisions of Section 108 of the Companies Act, 2013, read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended), and Regulation 44 of SEBI Listing Regulations (as amended), and the MCA Circulars, the Company has provided the facility to the members to exercise their right to vote by electronic means through remote e-Voting and voting at AGM. The facility of casting votes by a member using remote e-Voting system as well as voting during the AGM will be provided by Bigshare. The process of remote e-Voting with necessary user ID and password is given in the subsequent paragraphs. Such remote e-Voting facility is in addition to the voting facility to be provided at/ during the 12th AGM being held through VC/OAVM.

Blue & Beyond: Navigating the Future of Sanitation, Water & Sustainability

7. To promote green initiative, members who have not registered their email IDs are requested to register/update the same with their depository participants (DPs).

8. The Company has fixed 1 August 2024 as the cut-off date ("the Cut-off Date") to determine the eligibility of members, to cast their vote by remote e-Voting, and voting during the 12th AGM, scheduled to be held on 8 August 2024 through VC/OAVM.

9. A person, whose name is recorded in the Register of Members or in the Register of Beneficial Owners, maintained by the depositories as on the cut-off date, only shall be entitled to avail the facility of remote e-Voting or voting during the AGM.

10. The Register of Members and Share Transfer Books of the Company will remain closed from 2 August 2024 to 8 August 2024 (both days inclusive) for the purpose of giving effect to the transmission and transposition requests lodged with the Company.

11. Any person, who acquires shares of the Company and becomes a member of the Company after dispatch of the Notice, and holds shares as of the cut-off date i.e., 1 August 2024 may obtain the login ID and password by sending an email to helpdesk.evoting@cdslindia.com or cs@bankabio.com with one's DP ID and Client ID.

12. As per the provisions of the MCA Circulars, members attending the 12th AGM through VC, shall be counted for the purpose of reckoning the quorum within Section 103 of the Companies Act, 2013.

13. The voting rights of members shall be in proportion to their shares of the paid-up equity share capital of the Company as on 1 August 2024.

14. The Company has appointed Mr. M Ramana Reddy, Practicing Company Secretary, (CP No. 18415) to act as the Scrutinizer, to scrutinize the e-Voting process and voting at the AGM, in a fair and transparent manner, and he has communicated his willingness to be appointed, and his availability for the same.

15. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. Members holding shares in electronic form may obtain nomination forms from their respective depository participants (DPs). Members are requested to submit the said details to their DPs.

16. As per Section 105 of the Companies Act, 2013, and the rules made thereunder, a member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on one's behalf. Since the 12th AGM is being held through VC, as per the MCA Circulars, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be made available for the 12th AGM, and hence the Proxy Form and Attendance Slip are not annexed to this Notice.

17. In case of joint holder(s) attending the Meeting, only such joint holder who is higher in the order of names, will be entitled to vote.

18. In case of any query regarding the Annual Report, the members may write to cs@bankabio.com to receive an email response. The same will be replied by the Company, suitably. Documents referred to in this Notice will be made available for inspection, as per applicable statutory requirements.

19. Members who wish to claim dividends, which remain unclaimed, are requested to either correspond with the Corporate Secretarial Department at the Company's corporate office or the Company's Registrar and Share Transfer Agent - Bigshare Services Private Limited for revalidation and encashment before the due dates. The details of such unclaimed dividends are available on the Company's website <https://www.bankabio.com/>. Members are requested to note that the dividend remaining unclaimed for a continuous period of seven years from the date of transfer to the Company's Unpaid Dividend Account, shall be transferred to the Investor Education and Protection Fund ("IEPF"). In addition, all shares, in respect of which dividend has not been paid or claimed for seven consecutive years or more, shall be transferred by the Company to demat account of the IEPF Authority within a period of 30 days of such shares becoming due to be transferred to the IEPF.

20. Register of Directors and Key Managerial Personnel and their shareholding, and the Register of contracts or arrangements, in which the Directors are interested, are maintained under the Companies Act, 2013.

21. To prevent fraudulent transactions, members are advised to exercise due diligence and notify the Company of any change in address or demise of any member, as soon as possible. Members are also advised not to leave their demat account(s) dormant for a long time. Periodic statement of holdings should be obtained from the concerned depository participant, and holdings should be verified from time to time.

Blue & Beyond: Navigating the Future of Sanitation, Water & Sustainability

22. Since the AGM will be held through VC/OAVM, the route map to the venue is not annexed to this Notice.

23. The AGM shall be deemed to be held at the corporate office of the Company at 5th Floor, Prestige Phoenix, 1405, Uma Nagar, Begumpet, Hyderabad – 500016.

24. Instructions for e-Voting and joining the AGM are as follows. Members can send their requests, if any, in this regard to cs@bankabio.com and ivote@bigshareonline.com

25. The Instructions to the shareholders for remote e-Voting are as under:

(i) e-Voting Period: The voting period begins on 5 August 2024 at 09:00 am (IST) and ends on 7 August 2024 at 05:00 pm (IST). During this period, shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 1 August 2024 may cast their vote electronically. The e-voting module shall be disabled by Bigshare for voting thereafter.

(ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting.

(iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

(iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Annexures to Notice

Annexure I

EXPLANATORY STATEMENT IN PURSUANCE OF SECTION 102(1) OF THE COMPANIES ACT, 2013

Item No. 3 and 4

This Explanatory Statement is in terms of Regulation 36(5) of the SEBI LODR Regulations, though statutorily not required in terms of Section 102 of the Companies Act, 2013.

The Board of Directors, on the recommendation of the Audit Committee, and subject to approval of members, appointed B.D.Saboo & Associates, Chartered Accountants, (Firm Registration Number: 003505S), as statutory auditors of the Company w.e.f. 4 July 2024 to fill the casual vacancy, arising out of resignation of PRSV & Co. LLP, Chartered Accountants, (Firm Registration Number: S200016).

After evaluating and considering various factors, such as industry experience, competence of the audit team, efficiency in conducting audit, independence, etc., the Board of Directors of the Company, based on the recommendation of the Audit Committee, proposed the appointment of B.D.Saboo & Associates, Chartered Accountants, (Firm Registration Number: 003505S), as the statutory auditors of the Company, for the first consecutive term of five years, from the conclusion of this Annual General Meeting till the conclusion of 17th Annual General Meeting of the Company to be held in 2029, at a remuneration as may be mutually agreed between the Board and the statutory auditors.

In terms of the provisions of Section 139 of the Companies Act, 2013, read with rules made thereunder, appointment of statutory auditor, in case of casual vacancy caused due to resignation of existing auditor, shall also be approved by the members in a general meeting, convened within three months of appointment/recommendation of the Board, and such auditor shall hold office till the conclusion of the next Annual General Meeting.

Accordingly, the Board of Directors has recommended for approval of the members, appointment of B.D.Saboo & Associates, Chartered Accountants, (Firm Registration Number: 003505S), as statutory auditors of the Company.

(i) To fill casual vacancy arising out of resignation of PRSV & Co. LLP, Chartered Accountants, (Firm Registration Number: S200016), of the existing auditor w.e.f. 4 July 2024, and to hold office till the conclusion of this Annual General Meeting.

(ii) For a period of five years, commencing from conclusion of this Annual General Meeting till conclusion of the Annual General Meeting to be held in 2029.

Blue & Beyond: Navigating the Future of Sanitation, Water & Sustainability

B.D.Saboo & Associates, Chartered Accountants, (Firm Registration Number: 003505S), have given consent to act as statutory auditors of the Company, and confirmed that their appointment, if made, will be in accordance with the conditions prescribed under Sections 139 and 141 of the Companies Act, 2013.

Total fees of Rs. 5,50,000 (Rupees Five Lakhs and Fifty Thousand only) is proposed to be paid to B.D.Saboo & Associates, for the audit of financial statements of the Company for the financial year ended 31 March 2025, plus applicable taxes and out-of-pocket expenses, not exceeding 5% of the audit fees. Any increase in fee will be mutually agreed, on the basis of the efforts involved, and shall not exceed 10% of the fees paid for the previous year, between the Board and the statutory auditors, in consultation with the Audit Committee, for the remaining part of the tenure.

The Board recommends the Ordinary Resolution for approval by the members.

None of the directors / key managerial personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution.

Item No. 8

Based on the recommendations of the Nomination and Remuneration Committee, the Board of Directors of the Company recommends re-appointment of Mr. Sanjay Kumar Gangwar (DIN: 08153290) as a Non-Executive Independent Director of the Company, to hold office from 2 October 2024 to 1 October 2029, not liable to retire by rotation.

The Company has received the necessary declarations from him, confirming that he meets the criteria, as provided in Section 149(6) of the Companies Act, 2013, and Regulation 16(1)(b) of SEBI (LODR) Regulations, 2015. In terms of Regulation 25(8) of SEBI (LODR) Regulations, 2015, he has confirmed that he is not aware of any circumstance or situation, which exists or may be reasonably anticipated that could impair or impact his ability to discharge his duties. He is not disqualified from being appointed as a director within provisions of Section 164 of the Companies Act, 2013, and rules made thereunder nor debarred from holding the office of director, by virtue of any SEBI order or any other such authority. Further, he has also confirmed that he is compliant with Rules 6(1) and 6(2) of the Companies (Appointment and Qualification of Directors) Rules, 2014, with respect to his registration with the databank of Independent Directors, maintained by the Indian Institute of Corporate Affairs. The Board, at its meeting held on 4 July 2024, perused the declarations and affirmed the same.

Mr. Sanjay Kumar Gangwar is a commerce graduate {B.Com (Hons)} from Delhi University, and qualified as a Chartered Accountant in 1996. He is a fellow member of ICAI (FCA), and completed post qualification course of ICAI on Information System Audits {DISA (ICA)} in 2004. His core expertise lies in accounts and finance, corporate structuring, business re-structuring, advisory on tax planning and risk mitigation, corporate governance, risk and compliance.

In the opinion of the Board, Mr. Sanjay Kumar Gangwar fulfils the conditions for his appointment as an Independent Director, as specified in the Act and SEBI guidelines, and is independent of the management. Your Board believes that Mr. Sanjay Kumar Gangwar's induction on the Board will support in broadening the overall expertise of the Board. A copy of the appointment letter, setting out the terms and conditions of his appointment shall be available on the website of the Company at www.bankabio.com and will be available for inspection, without any fee, by the members at the Company's corporate office, during business hours on working days up to the date of Annual General Meeting, and also at the Meeting.

Save and except Mr. Sanjay Kumar Gangwar (DIN: 08153290) and his relatives, to the extent of their shareholding interest, if any, in the Company, none of the directors/ key managerial personnel, and their relatives are in any way, interested in or concerned, financially or otherwise in the resolution set out at Item No. 8.

The Board of Directors, accordingly, recommends the Special Resolution set out in Item No. 8 of the Notice, for the approval of the Members.

Item No. 9

Pursuant to the provisions of Section 188(1) of the Companies Act, 2013, read along with Rule 15 of the Companies (Meetings of Board and its Powers) Rules, 2014, the related party transactions, as mentioned in clause (a) to (g) of the said section, require prior approval of the Board, and subsequently the members of the Company, which exceed such sum, as are specified in Rule 15(3) of the aforesaid rules.

Further, as required in Regulation 23 of SEBI (LODR) Regulations, 2015, all material related party transactions require the approval of the shareholders. However, the said approval of shareholders for material related party transactions is not required for the transactions entered into between a holding company and its wholly-owned subsidiary, whose accounts are consolidated with such holding company and placed before the shareholders at the general meeting for approval, in terms of Regulation 23(5) of SEBI (LODR) Regulations, 2015.

In view of the changes in the threshold for determining the related party transactions that require prior shareholder approval, and considering the fact that the list of related parties can change dynamically, with no action on the part of the Company, and to facilitate seamless contracting and rendering/availing of products and services between the Company and related parties, the Company seeks the shareholders' approval for the said transactions by way of Ordinary Resolution, to approve entering into contracts/arrangements within the thresholds and conditions mentioned below.

All the contracts/arrangements and the transactions with "related parties" are reviewed and approved by the Audit Committee.

The particulars of related party transactions ("RPTs"), which are required to be stated in Explanatory Statement, as per Rule 15(3) of the Companies (Meetings of Board and its Powers) Rules, 2014, and SEBI Circular No. SEBI/HO/CFD/CMD1/CIR/P/2021/662 dated 22 November 2021, are as follows:

No Director, except the one mentioned hereinabove, and key managerial personnel or their relative is, directly or indirectly, concerned or interested, financially or otherwise, in the resolution, as set out in Item No. 9 of the Notice.

Item No. 10

Your Company holds 100% equity share capital of Enzotech Solutions Private Limited, a wholly-owned subsidiary, and is desirous to sell/dispose 100% equity share capital in its wholly-owned subsidiary company. It is to further inform to the members that Enzotech Solutions Private Limited ceases to be a material subsidiary of the Company, as it no longer meets the criteria of 'material subsidiary', under Regulation 16 of the SEBI LODR Regulations, 2015.

The sale consideration of equity shares having face value of Rs. 10 per share shall not be less than a price, Rs. 10.08 per share, for an aggregate consideration of Rs. 4,41,45,980 (Rupees Four Crores Forty-One Lakhs Forty-Five Thousand Nine Hundred and Eighty Only), as determined as per the valuation report, for sale/disposal of 100% equity share capital in its wholly-owned subsidiary company. The sale proceeds resulting out of this transaction will be significantly beneficial, and will enable the Company to have adequate liquidity for robust growth in operations and the proposed transaction is required to be completed, including identification of prospective buyer(s) within a span of six months from the date of approval of members in this meeting.

In view of the same, the Board of Directors, subject to the approval of members of the Company, by a special resolution, is required to sell, transfer, convey, assign or otherwise dispose of, the whole of the Company's investment in equity shares of its wholly-owned subsidiary, Enzotech Solutions Private Limited, to prospective buyer(s) on the terms and conditions, methods and modes in respect thereof, determining the exact effective date, finalizing, executing and registering the necessary documents, including agreement, deed, sale deed, agreement for sale and such other deeds documents and writings, deed of conveyance and irrevocable powers of attorney etc., and such other documents in the best interest of the Company.

The members of the Company are, further, requested to note that as per Section 180 (1) (a) of the Companies Act, 2013, and as per Regulation 24(5) of SEBI (LODR) Regulations, 2015, it is mandated that the Board of Directors of a company shall exercise the power to sell, lease or otherwise dispose of the whole or substantially the whole of any undertaking of the company, only with the approval of the members of the Company, by way of a special resolution.

The Board is of the opinion that the aforementioned proposal is in the best interest of the Company and hence, the Board recommends passing of the special resolution for the approval of the members of the Company.

Mrs. Namita Sanjay Banka and Mr. Vishal Murarka are interested in the resolution set out in Item No. 10 of the Notice, with regard to this resolution.

No director, except the one mentioned hereinabove, and key managerial personnel or their relative is, directly or indirectly, concerned or interested, financially or otherwise, in the resolution, as set out in Item No. 10 of the Notice.
